[Click to enlarge](#)

1 Chronicles covers the same period of time as 2 Samuel and both describe the reign of David (See the Timeline above) whereas 2 Chronicles covers the same period of time as 1 Kings and 2 Kings and both describe the time from Solomon to the Babylonian Captivity. In Chronicles the kings of Israel (See table below where Jeroboam I identifies first of the kings of the 10 Northern tribes) are not mentioned unless they do something that relates to the kings of Judah. Note that the word "chronicle" means "a continuous and detailed account of historical events arranged in order of time." In First and Second Chronicles God has given us a very accurate history so that we can know all that He wants us to know about the period of the kings.

Christ in the Historical Books

4. The Six Books of the Kings: [1&2 Samuel; 1&2Kings; 1&2Chronicles]

In the Hebrew, these six books are only three, each pair forming but one book.

Samuel and Kings form a consecutive history. The Key-note of both is Kingdom.

Chronicles is the story of 2Samuel and 1 & 2 Kings told over again from a different standpoint. Its Key-note is Theocracy. It deals only with the Kingdom of Judah, and relates to the history as it touches the Temple and the worship of God. It was possibly written by Ezra.

The special privilege of the Children of Israel was to have God for their King, and to be chosen by Him to be a peculiar people unto Himself, to show forth His praise in the world.

During the period of the Judges, Israel had rejected God from being their King. This rejection reached a climax in Samuel's day, when "they asked for a King like all the nations" [1Sam 8:5,19,20]. When God's children are afraid of being different from the world around them, they lose their power of testimony for Him.

God gave them Saul-- a King after their own heart.

When Saul broke God's covenant through disobedience, God gave them David-- "a King after His own heart" [1Sam 13:13,14].

David was a type of the one perfect King. Solomon, likewise, was a type of Him. But after Solomon, God's power departed from the kings and became vested in the prophets. Elijah sent word to Ahab, "Behold, Elijah is here! And Ahab went to meet Elijah" [1Kings 18:8,16] As [D.L.] Moody said, "Who was king now?" Moses was a prophet. Samuel was a prophet, as well as being the last of the Judges, and also priest. But the great line of prophets began with Elijah, and they represented God to His people through all the years of the decline and fall of the monarchy.

III. Christ in the Historical Books

7. 1Kings --

We need the magnificent reign of Solomon, the Prince of Peace, to complete the picture of Christ our King. The Lord said to David: "Behold, a son shall be born to thee, who shall be a man of rest; and I will give him rest from all his enemies round about; for his name shall be Peaceable, and I will give peace and quietness in Israel all his days." Solomon's peaceable kingdom was the result of the victories David had obtained. [Likewise,] it is because Christ has fought and conquered our enemies that we can enjoy the peace of His glorious reign in our hearts. The Kingdom of God is "righteousness, and peace, and joy in the Holy Ghost" (1Chron 22:9, margin; Rom 14:17).

The Temple. [1Kings ch. 5 - 8]

The glory of Solomon's reign was the building of the Temple. He seems to have been raised up specially for this purpose, for David says: "He hath chosen Solomon my son to sit upon the throne of the kingdom of the Lord over Israel. And He said unto me, Solomon thy son, he shall build My house and My courts... Take heed now, for the Lord hath chosen thee to build an house for the sanctuary: be strong, and do it" (1Chr 28:5-10). But for the account of the Temple, we will wait till we come to the Book of Chronicles.

"Solomon in All his Glory." [cp. Mat 6:28,29]

The wisdom of Solomon is a foreshadowing of the wisdom of Christ, in "whom are hid all the treasures of wisdom and knowledge" [Col 2:3].

Psalm 72 is a "Psalm for Solomon." It describes the glory of his kingdom, but it finds its perfect fulfillment only in the reign of One greater than Solomon, who shall indeed one day "have dominion from sea to sea, and from the river unto the ends of the earth." But though the millennial fulfilment of this Psalm is yet to come, it has a fulfilment already in those hearts where the King is reigning in righteousness. Solomon said to Hiram, King of Tyre, "The Lord my God hath given me rest on every side, so that there is neither adversary nor evil occurrent" (1King 5:4). The magnificence of his kingdom is described in 1Kings 4:21-34: "And Solomon reigned over all the kingdoms, from the river unto the land of the Philistines, and unto the border of Egypt: they brought presents, and served Solomon all the days of his life... And he had peace on all sides round about him. And Judah and Israel dwelt safely, every man under his vine and under his fig tree."

The Queen of Sheba. [1Kings 10:1-13; 2Chr 9:1-12]

Our Lord Himself draws the contrast between the Queen of Sheba, who "came from the uttermost parts of the earth to hear the wisdom of Solomon," and the men of His generation, who were so indifferent though "a Greater than Solomon" was among them [Mat 12:42]. Following the same line of thought, the visit of the Queen is a beautiful picture of a soul coming to the Saviour and finding full satisfaction in Him. (Ed: See caveats regarding **Typology - Study of Biblical types**)

She came from afar off, and we "who sometimes were afar off are made nigh by the blood of Christ." [Eph 2:13]

She brought all her hard questions to Solomon, and communed with him of all that was in her heart. We may bring all our difficulties to the Lord, and we shall find, as she did, that "there is not anything hid from the King" which He cannot solve for us. We, too, shall find that He is "made unto us wisdom" [1Cor 1:30].

And when she had seen all his wisdom, and riches, and the appointments of his kingdom, and his marvellous buildings, there was no more spirit in her. And she said: "It was a true report that I heard in mine own land of thy acts, and of thy wisdom. Howbeit I believed not the words, until I came, and mine eyes had seen it; and, behold, the half was not told me: thy wisdom and prosperity exceedeth the fame that I heard. Happy are thy men, happy are these thy servants, which stand continually before thee, and that hear thy wisdom. Blessed be the Lord thy God, which delighted in thee, to set thee on the throne of Israel: because the Lord loved Israel for ever, therefore made He thee king, to do judgment and justice" (1Kin 10:6-9). [cp. 1Cor 2:9; 1Joh 3:2]

The Kingdom Divided. [1Kings 12 and onward]

Then follows the history of the divided kingdom-- a picture of the divided heart and of the impossibility of serving two masters. The kings of Israel [the northern kingdom] followed the example of "Jeroboam, the son of Nebat, who made Israel to sin," by setting up the worship of the golden calves, and all their kings were given to idolatry. The history of the Kingdom of Israel is an almost unbroken story of wickedness, king after king coming to the throne through the murder of his predecessor.

2Kings 17 gives us the account of the Captivity of Israel, and goes fully into the reason of this punishment. They had descended to the very level of the nations whom God had [commanded] His people [to] drive out of the land-- exactly what He had predicted, as the result of their disobedience, had come to pass. They forsook the Lord, and served the gods of the heathen, and walked in their ways, and wrought according to their wickedness, and therefore God permitted the King of Assyria to carry Israel away captive into Assyria, according to His warning, given by Moses in Deu 29:24-28. "And the Lord rejected all the seed of Israel, and afflicted them, and delivered them into the hand of spoilers, until He had cast them out of His sight" (2Kin 17:20).

The Prophets.

Long before the outward semblance of royalty had disappeared, God had transferred the power from the kings to the prophets. Out of the darkness of this evil time, two figures stand forth as His witnesses, showing us that through all the failure, God was quietly working onwards towards His eternal Kingdom of Righteousness.

Elijah and Elisha, in the contrast of their characters and of their mission, remind us of John the Baptist and of our Saviour. Our Lord Himself referred to John the Baptist as fulfilling the prophecy that Elijah must first come before the coming of the Son of Man. "Elias verily has come," He said [Mat 17:10-13]. Elijah the rugged prophet of the wilderness, clad in his mantle and leathern girdle-- the ordinary dress of the Fellaheen [sic.], which every prophet wore-- suddenly bursts upon the scene in the court of Ahab, and pronounces the judgment of the Lord. "As the Lord liveth, before whom I stand, there shall not be night-mist, nor rain these years, but according to my word" [1Kin 17]. [Note: "The matar or 'rain' falls at all hours during the winter, while the tal or 'night-mist' falls in the night in summer and autumn." (Rev. J. Neil)]. The secret of his power lay in those few words "before whom I stand." He knew what it was to have power with God, and therefore, he had power with man. He reminds us of John, clad in the same manner, at the court of Herod, denouncing, as fearlessly, the sins of that king [Mar 6:17,18].

On Mount Carmel [1Kin 18], it was "at the time of the offering of the evening sacrifice" that God sent the fire from heaven. We have several instances of deliverance coming at the time of the morning or evening sacrifice, reminding us of the power of the Cross which those sacrifices foreshadowed.

The Forerunner.

When God was about to send the rain in answer to Elijah's prayer, Elijah sent Ahab the message, "Prepare thy chariot, and get thee down, that the rain stop thee not." [1Kin 18:44]. And then it appears that Elijah acted the part of saïs to Ahab. The modern saïs of Egypt is the "runner" attached to the household of kings and nobles. The same custom was in vogue in Israel, for Samuel warned the people that the king they so eagerly desired would exact this oppressive custom of his subjects: "He will take your sons, and appoint them for himself, for his chariots, and to be his horsemen; and some shall run before his chariots" [1Sam 8:11]. "These facts lend great force to the act of Elijah, who, in an ecstasy of joy and zeal at the triumph of Jehovah, and desirous to 'honour the King' who for a brief moment had honoured God, when the hand of the Lord came upon him, girded up his loins, and ran before Ahab to the entrance of Jezreel-- that is, for a distance of some twenty miles or more across the plain of Esdraelon the man of God acted as the saïs or runner of the King, clearing the way for his chariot and announcing his arrival!" [Palestine Explored, Rev. J. Neil]. Does not this office of outrunner explain the figure of Hebrews 6:20: "whither Jesus entered for us as a forerunner"? He who, in His condescension, has said that in heaven "He will gird Himself and make (His people) sit down to meat, and will come forth and serve them," is pictured here as having entered only a brief moment earlier to announce their arrival and to be prepared to receive them there [Luke 12:37].

Elisha. [His call is recorded in 1Kings 19.]

Elisha's was a ministry of blessing and healing. In this he was a type of Christ. We have, moreover, in the life and miracles of Elisha a series of most beautiful lessons on Christian life and service. "Ploughing one day with his father's oxen and servants, in the open country, he saw the outlawed prophet of Gilead coming towards him. Passing by, he cast his mantle upon him. Elisha knew what the sign meant. He was a wealthy man. The call was to follow Elijah as a servant, pour water on his hands, perhaps to die with him. There was no time to think, the decision had to be made in a moment. The call of God in his heart was at once responded to. Obtaining leave to say farewell to his parents, he kills the oxen, smashes up the implements, and shows to all his companions that he has no more to do with his former life. God is calling each one of us, let us follow at whatever cost" (W.H. Wilson).

THE OLD TESTAMENT REFLECTIONS OF CHRIST PAUL R. VAN GORDER

- [OT Reflections of Christ](#)

1 KINGS

The books of Samuel, Kings, and Chronicles present the history of the Kingdom of Israel. The first four give it from a human standpoint, and in Chronicles, it is seen from God's viewpoint.

The time covered by 1Kings is about 120 years. The book begins with the death of David and closes with the death of Ahab. One Bible scholar has said, "During this time the nation passes from affluence and influence to poverty and paralysis." The tragic note sounded in 1Kings 11:1 marks a turning point in Israel's history. "But King Solomon loved many foreign women... " As a result, the flesh prevailed over the Spirit. We therefore read these sad words in 1Kings 11:4, "When Solomon was old, ... his wives turned away his heart after other gods."

When 1Kings opens, Samuel is dead and David is dying. 1Kings 2 tells how this shepherd, warrior, king, and psalmist went to be with the Lord. Solomon, David's son, then ascended to the throne of all Israel. This book is important because it tells a story of sharp contrast: first, Israel's greatest splendor; second, Israel's tragic downfall. After Solomon's death, there was a rebellion. The nation divided into two kingdoms-- Israel in the north and Judah in the south. King after king led the people into idolatry. It's the old story of sin followed by punishment.

Two men stand out more conspicuously than all the rest named in 1Kings-- Solomon and Elijah. The story really centers upon these two leaders. As we study these men, we fulfill the purpose for this volume-- to see Christ in every book of the Old Testament.

SOLOMON'S REIGN--

The name Solomon means "peace." His reign is a type or picture of that reign of peace by Him who is greater than Solomon [Luke 1:32; Mat 12:42]. (Ed: See caveats regarding **Typology - Study of Biblical types**)

Solomon's reign was notable for five outstanding reasons:

Wisdom (1Kings 3:9-12; 4:29-34).

Jewish legend says that Solomon could even converse with the beasts of the field. His proverbs, 3,000 of which are recorded, demonstrate the great wisdom that God had given him. What marvelous guidelines they are for the conduct of life even now!

Peace and prosperity (1Kings 4:25).

Solomon's reign was an unusual time for Israel. The land had been torn apart by war. Now came a time of calm, of peace. "And Judah and Israel dwelt safely, every man under his vine and under his fig tree, from Dan even unto Beersheba, all the days of Solomon" (1Kings 4:25).

The building of the temple (1Kings 5-7).

Solomon's temple was unsurpassed in his day for its splendor and luxury. It was the crown jewel of Solomon's reign. Out of Israel came 30,000 men working in relays of 10,000 per month. In addition, 150,000 "strangers," 70,000 of them carriers and 80,000 stone workers, along with 3,300 supervisors, assisted in the work.

God enters the temple (1Kings 8).

When the structure was completed and dedicated, the glory cloud, the **Shekinah**, came down and filled it. This was the visible manifestation of the presence of God in the midst of His people.

The visit of the Queen of Sheba (1Kings 10).

This influential ruler said to Solomon, "It was a true report that I heard in mine own land of thy acts and of thy wisdom" (1Kings 10:6). The wealthy ruler was so impressed with what she had heard and seen that she gave the glory to God, saying, "Blessed by the LORD thy God, who delighted in thee, to set thee on the throne of Israel" (11Kings 0:9). A Gentile queen beholding the wealth and beauty of Solomon's reign is a picture of what God has yet in store for this earth.

ONE GREATER THAN SOLOMON--

The gospel according to Matthew begins with the words, "The book of the genealogy of Jesus Christ, the son of David." The designation "son of David" immediately brings Solomon to mind, arrayed in all his kingly glory. His reign is a foreview of what will take place when David's greater Son, the Lord Jesus Christ, rules over the earth.

God has decreed that a man is going to rule this world in wisdom. Isaiah wrote, "And there shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots; and the Spirit of the LORD shall rest upon Him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the LORD, ... but with righteousness shall He judge the poor, and reprove with equity for the meek of the earth; and He shall smite the earth with the rod of His mouth, and with the breath of His lips shall He slay the wicked" (Isa 11:1,2,4).

Our Lord's millennial reign will be a time of peace and prosperity. The prophet Micah declared of Christ, "And He shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up a sword against nation, neither shall they learn war anymore. But they shall sit every man under his vine and under his fig tree, and none shall make them afraid; for the mouth of the LORD of hosts hath spoken it" (Mic 4:3,4).

A temple will again stand in old Jerusalem. If you study carefully Ezekiel 40 through 49, you will learn about this magnificent edifice. The glory of the Lord will fill that place, and people of all nations will come to it. Micah predicted,

Many nations shall come, and say, Come, and let us go up to the mountain of the LORD, and to the house of the God of Jacob (Mic 4:2).

Zechariah delivered this additional prophecy:

And it shall be, in that day, that living waters shall go out from Jerusalem;

half of them toward the former sea, and half of them toward the hinder sea;

in summer and in winter shall it be.

And the LORD shall be king over all the earth;

in that day shall there be one LORD, and His name one.

And it shall come to pass that everyone that is left of all the nations which came against Jerusalem shall even go up from year to year to worship the King, the LORD of hosts, and to keep the feast of tabernacles. (Zech 14:8,9,16).

FROM KINGS TO PROPHETS--

How tragic the change! Chapter 10 tells of Solomon and all his glory. Then chapter 11 tells of Solomon's sin, chronicles the beginning of the rebellion by Jeroboam, and records Solomon's death. The division of the kingdom and fall into idolatry soon followed. We naturally wonder why. The answer, of course, is that fallen man spoils everything he touches.

From this point onward, the Lord God no longer revealed Himself primarily to kings; rather, He turned to the prophets. From 1Kings 11 to the beginning of the New Testament, God spoke to His people primarily through these specially chosen men.

ELIJAH--

The experiences of Elijah the prophet give us a challenge for today, for he was active in a time of apostasy. The end of our age will also be marked by apostasy, so a study of the evil men of Elijah's day will tell us what may be expected. The same conditions exist now as did then. [King] Ahab had married Jezebel. This wicked woman introduced Baal worship and other forms of idolatry. Ahab was sitting in the place of authority on the throne of Israel, yet he was denying the God of Israel. Similar conditions are sometimes seen in the conduct of the religious leaders of our day.

In 1Kings 18 we read of two prophets, Obadiah and Elijah. Obadiah feared the Lord and fed the prophets of God who were hiding in a cave. But he lived in the house of Ahab, a compromising position! Ahab never spoke a word against Obadiah. But concerning Elijah, the wicked king said, "Art thou he who troubleth Israel?" (18:17). Elijah did not shrink from a confrontation with Ahab. God's exoneration of Elijah took place on Mount Carmel, and that prophet became the instrument of God's judgment upon the the prophets of both Baal and the groves [ie., places of worship to multiple idols].

PRACTICAL TRUTH--

In 1Kings, one truth looms large on the horizon: a government that leaves God out, whether dictatorship or democracy, is doomed to

failure. Government by man always ends in disorder. Yet even though the thrones of earth disintegrate, the throne of heaven will abide forever.

COMMENTARIES THAT CAN BE BORROWED FROM ARCHIVE.ORG

Explanation - The following list includes not only commentaries but other Christian works by well known evangelical writers. Most of the resources below are newer works (written after 1970) which previously were available only for purchase in book form or in a Bible computer program. The resources are made freely available by archive.org but have several caveats - (1) they do not allow copy and paste, (2) they can only be checked out for one hour (but can be checked out immediately when your hour expires giving you time to read or take notes on a lengthy section) and (3) they require creating an account which allows you to check out the books free of charge. To set up an account click archive.org and then click the picture of the person in right upper corner and enter email and a password. That's all you have to do. Then you can read these more modern resources free of charge! I have read or used many of these resources but not all of them so ultimately you will need to be a Berean ([Acts 17:11+](http://bible.com/Acts/17/11)) as you use them. I have also selected works that are conservative and Biblically sound. If you find one that you think does not meet those criteria please send an email at <https://www.preceptaustin.org/contact>. The resources are listed in alphabetical order by the author's last name and some include reviews of the particular resource. For hundreds of other commentaries and books that can be borrowed see [Christian Commentaries Online](#).

[1, 2 Kings Commentary](#) (New American Commentary).By: Paul House (440 pages, 1995)

James Rosscup - **This is one of the most helpful more concise evangelical studies.** He opens each section with comments relating it with the wider biblical picture, often gives pertinent remarks on verses, and ends sections with apt principles to apply. The well-researched work benefits teachers and preachers and is lucid for lay people. The introduction (27–84) shows carefully informed conservative convictions, with some detail about a single author, chronology, the political context, miracles (which he believes did occur), literary issues, the structure and plot of the two books, theological issues (monotheism vs. idolatry, etc.), and other matters. House often supports comments with pertinent data from other Scripture or outside ancient sources. He deals with many of the problems. The verse by verse remarks at times could offer more, but other works can supplement him (cf. Patterson/Austel, for example).

[Expositor's Bible Commentary](#) - Volume 4 - 1-2 Kings, 1-2 Chronicles, Ezra, Nehemiah, Esther, Job - 1092 pages (1976)

James Rosscup - Patterson, R. D. and Hermann J. Austel. "1 and 2 Kings," Expositor's Bible Commentary is a "Staunch conservative work very well done in detail verse by verse, handling problems, using a wide range of relevant literature, **The reader finds both the regular commentary and the notes sections packed with pertinent information.**"

[Bible Knowledge Commentary - Old Testament](#) - 1-2 Kings by Thomas Constable. Dallas Theological Seminary Faculty

James Rosscup - Constable shows awareness of Hebrew word meanings, has much good exegesis and judicious comments on many of the verses, even if brief. On several problem areas he offers helpful data, and reflects awareness of literature. This is a contributive conservative effort.

[The Kings of Israel and Judah](#) - George Rawlinson - **online, no restrictions** (see [table of contents below](#))

Cyril Barber - Rawlinson's handling of the remainder of 1 Kings 10-2 Kings 25 provides **one of the finest syntheses of biblical history that has ever been written**. Rawlinson's chronology is lacking, but this in itself is not sufficient to condemn his work to oblivion.... ***What is important is that here we have a work that makes the OT come alive.***

[1 & 2 Kings](#) by McGee, J. Vernon

[Elijah: Confrontation, Conflict, and Crisis](#) by Howard G Hendricks

James Rosscup - Here are expository messages by one of America's long-time noted spiritual life speakers, a professor at Dallas Theological Seminary. Hendricks developed these lessons in Bible conference ministry, making them practical to effect change. **They are suggestive for preachers and devotionally stimulating for any readers.**

[The Communicator's Commentary. 1, 2 Kings](#) By: Dilday, Russell H (Now published as Preacher's Commentary)

Cyril Barber - Dilday, Russell H. One [and] Two Kings. The Communicator's Commentary. Waco, TX: Word Books, 1987. A well-articulated commentary. The Introduction is brief and to-the-point. Dilday sees the purpose of these book as illustrating the "Sovereign Lord of History using men and nations to work out his redemptive purposes." Throughout there is evidence of the author's wide reading. Prominence is given, however, to liberal and Baptist writers (a strange mix when one considers the historic roots of the Southern Baptist movement). The comments on the text are very brief. While the chapters are well-written, they lack a homiletic outline. They do follow the text, and Dilday's rhetorical acumen is evident on every page.

James Rosscup - The president of Southwestern Baptist Theological Seminary in Fort Worth, Texas has given a thoroughly studied, clear, well-illustrated and applied work that **furnishes rich assistance to an expositor**. Dilday frequently gives different views on an issue and includes many footnotes with further sources for added help.

[2 Kings \(Word Biblical Commentary\)](#) - T R Hobbs

James Rosscup - He places the writing in the early part of the captivity by one writer, and is thorough on literature pertaining to 2 Kings as well as on matters of text, exegesis and theology. Students can glean considerable material that is worthwhile.

[The Politics of God and the Politics of Man](#) Ellul, Jacques. (BORROW).

Cyril Barber - Basing his political theory on the fact that the problems of our times are theological and not sociological, the writer shows from a study of 2 Kings how God has provided a blueprint for self government in the Bible. Rewarding reading.

[I and II Kings: A Commentary. Old Testament Library.](#) Gray, John. (BORROW)

Cyril Barber - An expansion and revision of the writer's earlier commentary. Includes a vast amount of archaeological and exegetical material, covers every significant verse, and makes a valuable though critical contribution to the study of these books.

James Rosscup - This is an attempt to provide a fresher technical, liberal commentary than the work of Montgomery which preceded it by 13 years. It uses works of the German form critical approach.

[Second Kings. Forms of the Old Testament Literature.](#) Long, Burke O. (BORROW)

Cyril Barber - Walter Bruggemann wrote of this book, "Long has written a shrewd, discerning, and comprehensive study that will become an enduring point of reference for future study. It is evident that Long knows all the literature in a thorough and masterful way. He is, moreover, intentional about method, and works his method with power and insight.... The focal point of his study is form analysis ... [and] in his case the study of the text spills over, well beyond form criticism into a wealth of analytic and interpretive insight. His book is a

model for mobilizing detail into a sensible and illuminating whole.”

[Readings in I Kings: An Interpretation Arranged for Personal and Group Bible Study, with Questions and Notes](#) Wallace, Ronald S (BORROW).

Cyril Barber - “In this concise, practical commentary on I Kings, Wallace succeeds in giving ‘fresh thoughts fresh clothing.’... He draws readers into biblical characters’ lives ... and his love for the Bible is evident as he bridges the centuries to show each stories’ modern practicality. He sees ‘persons like ourselves in situations that we can easily match with our own today,’ and he pulls no punches exposing their human foibles and weaknesses.”--Bookstore Journal. (See also [Elijah And Elisha Expositions From The Books Of Kings](#) By: Ronald S. Wallace - BORROW)

[Solomon to the Exile: studies in Kings and Chronicles](#) Whitcomb, John Clement, Jr.(BORROW)

Cyril Barber - An ideal book for discussion groups. Recreates the OT setting, graphically depicts the cause of decline in Israel and Judah, and draws valid lessons from these incidents that are applied to the needs of the present.

MULTIPLYING WIVES (1 Kings 11:1–8)

During the first twenty-four years of Solomon’s reign it might appear that Pharaoh’s daughter was his only wife (cf. 1 Kings 3:1; 6:37–7:1). This might be concluded from the statement in 11:1 that “Solomon loved many foreign women, together with the daughter of Pharaoh.” And this would be a highly desirable interpretation, for God does not approve of polygamy (Matt. 19:5) and He blessed Solomon marvellously during those years. On the other hand, it must be recognized that God had also richly blessed David during the early years of his reign, and that in spite of a polygamous household (2 Sam. 3:1–5; 5:12–16). Furthermore, the Song of Solomon implies a God-honoring relationship between Solomon and the Shulamite maiden at a time when he already had sixty queens and eighty concubines (Song 6:9, 13). Finally, Solomon must have married Naamah the Ammonitess a couple of years before he became king, and thus before he married Pharaoh’s daughter, for Rehoboam was forty-one when Solomon died at the end of a forty-year reign (1 Kings 14:21; 2 Chron. 12:13).²

Why did God permit David and Solomon to multiply wives? God had said to David through Nathan the prophet: “I gave thee thy master’s house, and thy master’s wives into thy bosom” (2 Sam. 12:8). But this must be understood as God’s permissive will, even as our Lord explained with regard to divorce: “Moses for the hardness of your heart suffered you to put away your wives: but from the beginning it hath not been so” (Matt. 19:8). Not only did Moses specifically warn kings against multiplying wives to themselves (Deut. 17:17), but he also gave the tragic examples of multiple wives in the homes of Abraham (Gen. 16:1–6) and Jacob (Gen. 34:30; 35:21ff.). Jealous wives (Gen. 30:16) and spoiled children (1 Kings 1:6) were the inevitable fruit of polygamy, and Solomon had to lament over his son Rehoboam: “who knoweth whether he will be a wise man or a fool? yet will he have rule over all my labor wherein I have labored, and wherein I have showed myself wise under the sun” (Eccles. 2:19). Thus, God, in His providence, saw to it that both David and Solomon suffered severely for establishing polygamous households.

But the one consideration that must have overridden all others in the thinking of Solomon was the desire to establish diplomatic ties with the hundreds of city-states and kingdoms of the eastern Mediterranean and the Fertile Crescent. The most effective way to confirm a commercial or political treaty with a foreign king was to marry one of his daughters and give her a prominent position in the court. Theoretically a king would think twice before offending a father-in-law. This was a common and accepted practice among ancient rulers, and Solomon (contrary to the known will of God) conformed to this standard.³

However, multiplying wives was only the beginning of contradictions and disasters. Each wife, as a true representative of her father's kingdom, brought with her the religious paraphernalia and the priests of her god. As we shall see in Chapter 30, Jezebel brought with her from Phoenicia 850 prophets of Baal and Asherah when she came to Israel to be Ahab's queen (by arrangement of their fathers Omri and Ethbaal who planned thus to cement a political treaty).

Let us attempt to picture the situation that began to develop around Jerusalem during the last fifteen or twenty years of Solomon's reign. It must have been like Massachusetts Avenue in Washington, D.C., lined with the embassies and legations of many nations—little islands of foreign culture within the borders of the United States. A few years ago I visited this section of our capital city and walked into a fabulously beautiful Moslem mosque crowned with a white limestone minaret piercing the sky above. The costly structure was built with contributions from fifteen predominantly Moslem countries of Africa and Asia, so that there, on that 30,000 square-foot portion of American soil, the god Allah is officially honored!

So it was during Solomon's declining years. Shrines to pagan gods with attending priests and guardian queens dotted the hills surrounding Jerusalem. And there they remained for three hundred years—inviolable and untouched even during the reigns of such reforming kings as Asa, Jehoshaphat, Uzziah, and Hezekiah. At last, during Josiah's great reform movement toward the end of the seventh century B.C., these "high places" around the city were destroyed (2 Kings 23:13). And two centuries after that, Nehemiah pronounced God's sad epitaph on Solomon's folly: "Did not Solomon king of Israel sin by these things? yet among many nations was there no king like him, and he was beloved of his God and God made him king over all Israel: nevertheless even him did foreign women cause to sin" (Neh. 13:26).

Volume one covers the text from the reign of Rehoboam until the fall of Jerusalem.

Volume 2 - Examining the intimate relationship and history between Israel and Judah, Maximilian Geneste provides extensive commentary on the composition and arrangement of the text, historical context, and elucidation of reiterated motifs. Offering direct interpretation through semantics, Geneste seeks to convey the spiritual state of Israel and Judah during this period of time. Volume two covers the fall of Jerusalem until the Lamentations of Jeremiah.

Maximilian Geneste was the minister of the Church of the Holy Trinity, Isle of Wight. Geneste is the author of several titles including *A Glance into the Kingdom of Grace and Christ in the Wilderness*. Geneste died on July 27, 1860. ([All notes from Logos.com](#))

[Notes on the Hebrew Text of the Books of Kings by C. F. Burney](#) Publication Date: 1903 (444 pages)

Focusing on providing exegetical commentary on the books of Kings, C. F. Burney's *Notes on the Hebrew Text of the Books of Kings* offers textual criticism, hermeneutic and presuppositional interpretation, and semantic analysis of the text. Looking at the Old Testament parallels throughout the text, Burney delineates the importance of idiomatic and colloquial use of language throughout the books.

[C. F. Burney](#) (1868–1925) was educated at Merchant Taylors' School and at St. John's College, Oxford. Burney went on to become Oriel Professor of the Interpretation of Holy Scripture at Oxford. He was also Canon of Rochester and Fellow of St. John Baptist's College in Oxford. He was the author of several titles including *Outlines of Old Testament Theology*, *Israel's Settlement in Canaan*, *The Aramaic Origin of the Fourth Gospel*, and *The Poetry of Our Lord*.

[Expository Readings on the Books of Kings by John Cumming](#) Publication Date: 1859

Fully illustrating the books of Kings, John Cumming's Expository Readings on the Books of Kings offers easy to understand commentary within an exegetical framework. Cumming provides textual criticism, hermeneutics, and exposition of the text, while focusing on practical application of key themes.

Comment - Interesting - seems to have a devotional quality.

[John Cumming](#) (1807–1881) was an influential and renowned preacher of the National Scottish Church in Covent Garden. He published approximately 180 books in his lifetime. In 1832, Cumming was appointed to the Crown Court Church in Covent Garden, London, a Church of Scotland congregation that catered for Scots living in London. At the time, the congregation had approximately 80 members, but Cumming was able to grow his congregation to around 900, and he regularly preached to congregations of 500-600 on Sundays. Some of his views on eschatology are questionable at best.

[The Mystery of the Kingdom: Traced Through the Four Books of Kings](#) by Andrew J. Jukes Publication Date: 1884

Originally delivered as a series of lectures on the books of Samuel and Kings, Andrew J. Jukes offers valuable exegesis, while focusing on the difficult transition from theocracy to monarchy. Jukes distinguishes between use of literal and figurative language within the text, and seeks to elucidate the inherent meaning within the passages.

The book is remarkable as an effort to substantiate the fact of a developmental process in prophecy and revelation, the principle laid down being that God invariably adapts Himself to the condition of those whom He addresses; and the point is aptly and ingeniously illustrated in many ways . . . we have found it to be effective and interesting.—The British Quarterly Review

This classic on 1 Kings is organized as follows:

Introduction. On the Existence and Principle of a Mystic Sense.

I. The General Character of the Books of Kings

II. The Steps Which Led to a King

III. The Steps Which Led to a King (continued)

IV. The Respective Characters of the First Two Kings

V. The Causes of God's Rejection of the First King

VI. The Relative Position of the First Two Kings, From the Rejection Until the Death of Saul

VII. Various Estimates of David, During the Reign of Saul

[Andrew J. Jukes](#) (1815–1901) was a prolific author and clergyman educated at Trinity College, Cambridge. He was an English minister and theologian, who left the Anglican church to join the [Plymouth Brethren](#), and finally to found an independent chapel in Hull. His other major works include The Law of the Offerings, The Restitution of All Things, Four Views of Christ, and The Differences of the Four Gospels. Among those influenced by Jukes was [Hudson Taylor](#)

[The Kings by Richard G. Moulton](#) Publication Date: 1896 (308 pages)

The Kings contains succinct explanation and clarification on textual arrangement, parallel motifs and figurative language, chronological sequence, and the scope of the text. Intended as an aid for historical interpretation, Richard G. Moulton's commentary provides useful clarity for clergy and laymen alike.

The volume contains a valuable introduction to the book as a piece of literature, and notes are added when necessary. Professor Moulton brings to this work unusual gifts and experience as scholar, teacher, and writer; genuine literary feeling which has been cultivated by close study. Here is not only a "well of English undefiled," but books written in such strong and simple language that a child can understand them. A copy of this edition should be in every family, and we are persuaded it would not remain unread.—The Protestant Episcopal Review

[Richard G. Moulton](#) (1849–1924) was Professor of English Literature at the University of Chicago. Moulton was born in England and educated at Cambridge as a lawyer before immigrating to America—later receiving a PhD from the University of Pennsylvania. He is the author of over 30 titles including Shakespeare as a Dramatic Artist, The Literary Study of the Bible, World Literature and Its Place in General Culture, and The Ancient Classical Drama.

[Notes on 1 Kings: James Davies](#) Publication Date: 1872

Stating that the books of First and Second Kings were originally compiled together and should be viewed as a single narrative, James Davies' Notes on 1 Kings provides explication of the purpose, composition, authorship, and the reiteration of theocratic themes throughout the text. Davies utilizes the Septuagint, Latin Vulgate, and Biblia Hebraica Stuttgartensia for clarification on textual arrangement, semantic variation, and historical context.

James Davies is also author of St. Matthew's Gospel, Acts of the Apostles, Book of Common Prayer, and History and Literature of the Tudor and Stuart Periods. Davies was educated at the University of London.

[Notes on 2 Kings James Davies](#) Publication Date: 1873 Pages: 209 Pages: 161

Stating that the books of First and Second Kings were originally compiled together and should be viewed as a single narrative, James Davies' Notes on 2 Kings provides explication of the purpose, composition, authorship, and the reiteration of theocratic themes throughout the text. Davies utilizes the Septuagint, Latin Vulgate, and Biblia Hebraica Stuttgartensia for clarification on textual arrangement, semantic variation, and historical context.

James Davies is also author of St. Matthew's Gospel, Acts of the Apostles, Book of Common Prayer, and History and Literature of the Tudor and Stuart Periods. Davies was educated at the University of London.

[The First and Second Books of Kings: James Robertson](#) Publication Date: 1902 Pages: 273

Looking at purpose, authorship, date of composition, and chronology of the text, James Robertson offers practical explication of the text, while giving special regard to the didactic themes. Robertson provides extensive notes for clarification of key parts of the text, as well as further reading.

Dr. Robertson is the editor of the volume which contains The First and Second Books of Kings, and his name is a guarantee for thorough and judicious work. We have not been a better introduction . . . [its] framework is clearly brought out.—The London Quarterly Review

James Robertson (1839–1902) was educated at the parish school of Drull, the University of Toronto, Princeton Theological Seminary, and Union Theological Seminary. Robertson went on to become the minister of Knox Church in Winnipeg and a missionary in New York. He played a large part in founding the University of Manitoba, as well as hundreds of churches. The Toronto Globe noted at the time of Robertson's death: "No man living knows more about the Canadian Northwest, its resources, its development, its social, moral and religious conditions and necessities."

[The Books of the Kings of Judah and Israel: A Harmony of the Books of Samuel, Kings, and Chronicles](#) by William Day Crockett Publication Date: 1897 Pages: 364

Chronologically moving through the Books of Samuel, Kings, and Chronicles, William Day Crockett provides thorough exegesis that is systematically divided between the reigns of Saul, David, and Solomon. Discouraging on Israel's want for a monarchy, Crockett inculcates the reoccurring sin and redemption cycles that Israel initiates—regardless of admonition and warning.

His work is in line with the revival of interest in the Bible as literature. There is an analytical outline, and a full appendix and index. Mr. Crockett has shown skill and judgment that will commend his work to the great mass of students.—Public Opinion

Mr. Crockett's work is an honest, laborious and successful piece of this study of the Old Testament as it is, that is to be so highly commended both a piece of work and as an aid to others in the study of the central section of the history of the Old Testament as it lies in the documents. It ought to have a 'wide acceptance and usefulness.'—The Presbyterian and Reformed Review

William Day Crockett (1869–1930) was Pastor of the First Presbyterian Church in Canton, Pennsylvania. Crockett is the author of several titles including A Harmony of the books of Samuel, Kings, and Chronicles and A Satchel Guide to Europe

[Saul, the First King of Israel: A Scripture Study](#) - Joseph Augustus Miller Publication Date: 1853 Pages: 318

Eminently thoughtful, useful, practical sermons. We do not see how Saul's life-failure could be more profitably set forth.' – Spurgeon

Covering in detail the text of First and Second Samuel, Joseph August Miller explicates the text with the purpose of practical application of critical themes—*exempli gratia*: exemplification of faith, humility, repentance, and obedience. Drawing attention to the intent of the heart rather than the profession of religion and mores, Miller offers insightful and exegetical commentary on the moral state of Israel in the time of Saul.

This is the most interesting and instructive volume. The character and the history of Saul form a striking and affecting study; although, as our author remarks, 'in comparison with the other scripture memoirs, but little has been written on this piece of biography.' With great minuteness, and force, and beauty, he brings out the chief points in the career of the first monarch of Israel; and at the same time makes the narrative of outward events serve as a key to unlock the chambers of his inner being. —The Eclectic Review

Joseph Augustus Miller was educated at Highbury College before being ordained minister of Queen-Street Chapel in Sheffield.

[Samuel the Prophet](#) - F. B. Meyer Pages: 280

In Samuel the Prophet, F. B. Meyer discusses the critical themes embedded in the text of First Samuel—in context of Israel's transition to a central government. Meyer's commentary conveys the ramifications of Israel's partiality to obedience of the Lord, and explicitly views this as a period of dispensation for Israel.

He left a big witness as a Christian, husband and expositor on the spiritual life. Here he is clear, simple, to the point, and practical in application. The book is especially suited for pastors, Sunday School teachers and laypersons. Sometimes he overdoes things, as in seeing Hittites and confederates as depicting "The evil habits of the old past" (p. 12). Yet in many cases he is apt, as using Gideon to show the need to look to God for adequacy. He sees Saul as unsaved, having the Spirit on him but not in him (103).- Rosscup

F. B. Meyer (1847—1929) was educated at Brighton College, University of London, and Regent's Park College. Meyer was well known for his friendship with Dwight L. Moody, as well as authoring over forty titles.

"A pleasing exposition of the Biblical text." – Cyril J. Barber

Examining the roles of Samuel and Saul in Israel, William J. Deane offers comprehensive exposition of the text with regard for key themes and events. Moving chapter-by-chapter the author provides historical context of key events, analysis of Israel's propensity to fall away from the law, and the transition into monarchical rule.

The whole style of treatment is careful and suggestive. The writer avails himself of the labors of English and Continental commentators, so that the reader of this book will have the fullest lights that modern research has thrown on the subject. Such a book will be a distinct acquisition . . .—The London Quarterly and Holborn Review

It can be difficult to find a quality narrative Bible curriculum for teens and adults. The four volume Promise and Deliverance series by S.G. De Graaf, first published years ago, is still among the best. Many years ago Christianity Today called it "A landmark in interpreting the simple stories of the Bible" and that assessment is as valid as ever.

For years the author, Reverend De Graaf, led a weekly class for those who taught Bible to children, both at Sunday schools and at day schools. This book is the fruit of repeatedly answering the question, "How do we tell this Bible story?" and is helpful for teachers of little ones, for teens to study on their own, and also for anyone else who wishes to study the Bible.

So what is so special about the Promise and Deliverance series? It focuses on the meaning of each story and on how to understand and share it. In the introduction to the first volume, the author reminds us that the purpose of telling a story is to make it come alive for the hearer, but also warns us about letting the main point get lost in details. Since God wrote the Bible in order that we might believe, not merely to entertain us, this should never be forgotten.

In each story God reveals himself in a particular way, and the important thing is to try to understand what God intends to reveal to us in that specific story. And, no, it is usually not a moral lesson. Instead, it is usually something about who God is and about how he makes and keeps his covenant with us. He is the main character, says De Graaf, and we must not make the mistake of focusing on human actions instead of on God.

These concepts are fundamental to each of the more than 200 Bible narratives. Each narrative, based on a specific Bible passage, is prefaced with a short section that outlines the main goals of the story. The main thought is summarized in a single sentence, and the actual story follows. Each narrative not only describes the Bible events but also interprets them, applying them to our lives today. Thus Promise and Deliverance can also serve as a devotional. (Description by Annie Kate at The Curriculum Choice)

In this study of the character of Samuel, Robert Steel examines how the narratives and characters of the Old Testament, as opposed to the New, present an opportunity to learn from the lives of “men like ourselves,” with “peculiar temptations as well as privileges, and revealed infirmities and well as virtues.” Steel works through the books of Samuel in 24 lessons, from his intriguing calling and the labor of his old age. Drawing out lessons for every-day Christian living, Steel examines the life of Solomon, which touches on “all classes and conditions,” as “one of the brightest examples of holy living and useful labor.”

'A grand work which should be in every library.'

The gentle but compelling style adopted by the author takes each event in David's life, together with the psalms thought to be written at the time, and makes applications helpful to all Christians. Delightful to read devotionally but will also furnish the preacher with much to help in sermon preparation. Taylor is unafraid to make gospel applications when appropriate and this aspect will be appreciated too.

A biography told through a Christian lens. Taylor moves through the chronology of David's life, conveying the events and also giving an objective Christian commentary.

COMMENTARY CRITICAL AND EXPLANATORY ON THE WHOLE BIBLE 1 KINGS

ROBERT JAMIESON, A. R. FAUSSET AND DAVID BROWN. Published 1871 - One of the Better Older Commentary. It does not analyze the text based on so-called "higher criticism," but is thoroughly conservative and evangelical. Tends to be more conservative and literal. Avoids spiritualizing.

Spurgeon's Comment: "Of this I have a very high opinion. It is the joint work of Mr. Jamieson, A. R. Fausset, and Dr. David Brown. It is to some extent a compilation and condensation of other men's thoughts, but it is sufficiently original to claim a place in every minister's library; indeed it contains so great a variety of information that if a man had no other exposition he would find himself at no great loss if he possessed this and used it diligently."

F W Farrar

Cyril J. Barber - Farrar, Frederick William. [The First Book of Kings](#). A thorough and delightful exposition of this history of Israel from Solomon to Elijah. In places it manifests an unwise dependence on the LXX and follows some higher critical theories in vogue at the time.

1 Kings 17:14 Dwindling Resources

The barrel of meal shall not be used up, neither shall the cruse of oil fail. 1 Kings 17:14

At some point in life most of us face the problem of dwindling resources. The story of the widow of Zarephath should encourage us to trust the Lord to supply our needs at all times.

H. A. Ironside told of a Christian widow who lived in Scotland. With several “bairns” in the home, it was extremely difficult for her to provide food and clothing for her household. Through it all, she lived close to the Lord and lovingly taught her children to put their confidence in Him. The day finally came when the purse was empty and the pantry depleted. Only a handful of flour remained in the big barrel. The mother reached down into the container to scrape up the last bit in order to make some bread for her hungry little ones. As she bent over the barrel, her faith began to waver and she could hold back the tears no longer. Her little son Robbie heard her sobs and began tugging at her dress till she lifted her head and looked into his questioning eyes. In his Scottish dialect he asked, “Mither, what are ye weepin’ about? Dinna God hear ye scrapin’ the bottom o’ the barrel, Mither?” Ironside said, “In a moment her failing faith reasserted itself. Ah yes, God did hear. All else might be gone but He remained, and His Word declared that her every need would be supplied.”

CHRISTOPHER KNAPP

The Kings of Judah & Israel

1 & 2 Kings; 1 & 2 Chronicles

This is from a 304 page book by Christopher Knapp, with a lengthy introduction by H A Ironside.

James Rosscup - The author, who served as an evangelist in the Bahamas and a missionary to Honduras, Central America, has given here a biography of each king in Judah and Israel. He traces the characteristics and accomplishments of each reign. In each case, he draws together all of the Bible references to the king's reign, gives the names of prophets ministering in his day, and presents a key verse which summarizes that reign in a nutshell. He has good sketches of the kings.

KEIL AND DELITZSCH

Commentary

1 Kings

James Rosscup - "Keil, C. F. and Franz Delitzsch. Commentary on the Old Testament. 25 volumes. Grand Rapids: Eerdmans, 1950. This is the best older, overall treatment of a critical nature on the Old Testament Hebrew text verse by verse and is a good standard work to buy. The student can buy parts or the whole of this series. Sometimes it is evangelical, at other times liberal ideas enter." JOHN KITTO

Commentary on 1 Kings

Pictorial Bible

Spurgeon's Comments on Kitto: "Then, of course, gentlemen, you will economize rigidly until you have accumulated funds to purchase Kitto's Pictorial Bible. You mean to take that goodly freight on board before you launch upon the sea of married life. As you cannot visit the Holy Land, it is well for you that there is a work like the Pictorial Bible, in which the notes of the most observant travellers are arranged under the texts which they illustrate. For the geography, zoology, botany, and manners and customs of Palestine, this will be your counselor and guide... A work of art as well as learning."

Spurgeon comments-"Should always be consulted... Exceeding meritorious. Refer to it frequently... They are not exactly a commentary, but what marvelous expositions you have there! You have reading more interesting than any novel that was ever written, and as instructive as the heaviest theology. The matter is quite attractive and fascinating, and yet so weighty, that the man who shall study these volumes thoroughly, will not fail to read his Bible intelligently and with growing interest."

LANGE'S COMMENTARY

1 Kings

Spurgeon - "It must have cost great effort to make the homiletical part of this volume as good as it is. It is a treasury to the preacher, and is all the more precious because we have next to nothing upon the books of the Kings."

Spurgeon's Comments on Lange's Series: "These volumes are not all of equal value, but as a whole, they are a grand addition to our stores. The American translators have added considerably to the German work, and in some cases these additions are more valuable than the original matter. For homiletical purposes these volumes are so many hills of gold, but, alas, there is dross also, for Baptismal Regeneration and other grave errors occur... We are very far from endorsing all Zöckler's remarks." (**Caveat: Be a Berean**

CYRIL BARBER - recommendations from his book [The Minister's Library Volume 2](#) & [Volume 3](#)

- Barber, Cyril John. *The Books of Kings 2* Eugene, OR: Wipf & Stock, 2004. "A plain, highly readable study that pastors, college students, seminarians, and lay people will find helpful."
- DeVries, Simon J. *1 Kings*. Word Biblical Commentary. Waco, Tex.: Word Books, 1985. A capable, reasonably conservative treatment of the text. The introduction is most helpful, and the bibliographies are exceedingly valuable. Though pastors will find the critical issues discussed of marginal worth, this is the best commentary on 1 Kings to be produced in many years.
- Jones, Gwilym H. *1 and 2 Kings*. 2 vols. Grand Rapids: Wm. B. Eerdmans Publishing Co., 1984. Capably introduced. Carefully attends to the history, customs, culture, and etymology of Hebrew words. Deals adequately with the text of these two books. Helpful.
- *Kirk, Thomas, and George Rawlinson. *Studies in the Books of Kings*. 2 vols. in 1. Minneapolis: Klock & Klock Christian Publishers, 1983. It is difficult to refrain from speaking eloquently of the value of this work. Kirk's handling of the life of Solomon (1 Kings 1-9) is done so well that it suggests messages by the score and provides, in addition, pertinent areas of application. It is instructive as well as revealing, edifying, and also enlightening.
- [The Kings of Israel and Judah](#) Rawlinson's handling of the remainder of 1 Kings 10-2 Kings 25 provides one of the finest syntheses of biblical history (set against the background of the ancient Near East) that has ever been written. Rawlinson's chronology is lacking, but this in itself is not sufficient to condemn his work to oblivion....What is important is that here we have a work that makes the OT come alive.
- Nelson, Richard D. *First and Second Kings*. Interpretation, a Bible Commentary for Teaching and Preaching. Atlanta: John Knox Press, 1987. Examines the Books of Kings, treating the text as theological literature. Emphasizes the literary impact this work had when it was first released. Disregards the inspiration and authority of the text in favor of its canonical importance. Deftly draws readers into an examination of the text.

CHARLES SWINDOLL

- [Book of First Kings Overview - Insight for Living Ministries](#)

Excerpt - How do I apply this? Solomon was known as the wisest man of his day. He was arguably the wealthiest man of his time. He enjoyed God's favor in many ways, yet his legacy is tarnished by the faithlessness he displayed in his later years. In direct contradiction to God's command for a king not to "multiply wives" (Deuteronomy 17:17), Solomon married many foreign women. First Kings laments, "When Solomon was old, his wives turned his heart away after other gods" (1Ki 11:4). Solomon began to rely on his fortune, his military might, and his political alliances instead of the God who gave all of those blessings to him. He focused on the gifts, forgetting the Giver. How often do you do the same? Are there any direct commands from God you are ignoring? Today, take time to recall the blessings in your life, and then thank the Lord for them. Rely on Him, not your possessions or position, as your source of strength and significance. Some trust in chariots and some in horses, but we trust in the name of the LORD our God. (Psalm 20:7NIV)
