These OT Scriptures are direct quotes in most of the corresponding NT passages but does include occasional strong allusions (Marked with double asterisks or specific notes - eg, some are direct quotations of the Septuagint) rather than direct quotations. The **NASB** identifies the direct quotations with SMALL CAPS while the Weymouth (NT only) uses all caps. The **NKJV**, **NJB**, and **NET** (New English Translation) identify OT quotes with italics. The HCSB identifies OT quotes with bolding. It should be noted that this list is somewhat subjective as comparison of various sources reveals considerable variation as to what is interpreted as an OT quotation. For example "your seed" in Gal 3:16 is identified in the HCSB as from four OT passages ("descendants") Ge 12:7, 13:15, 17:8, 24:7 but it is not even identified by the NASB as an OT quotation! Note also that many of the OT quotes are from the **Septuagint (LXX)** which is why the NT wording may appear somewhat different.
