**Note:** Calvin's prayers are excellent, and are very convicting - Suggestion: Read them aloud, very slowly and as a sincere prayer to the Almighty God. On the other hand the careful Berean (Acts 17:11-[note](#)) should be cautious when reading Calvin's comments, for he often interprets passages that in [context](#) clearly relate to the [literal](#) nation of Israel as if they spoke of the Church. Furthermore, he makes no mention of a future [Millennial Reign](#) of Messiah.

#### EDWARD B PUSEY Commentary on Hosea 1860

**James Rosscup** writes "This work originally appeared in 1860. The present publication is set up in two columns to the page with the text of the Authorized Version reproduced at the top. Scripture references, Hebrew words, and other citations are relegated to the bottom of the page. The work is detailed and analytical in nature. Introduction, background and explanation of the Hebrew are quite helpful. Pusey holds to the grammatical-historical type of interpretation **until** he gets into sections dealing with the future of Israel, and here Israel becomes the church in the **amillennial** vein."
