THE LIFE OF JESUS AS COVERED BY MATTHEW (shaded area)

Click chart to enlarge

CAVEAT: A number of the resources listed below interpret the events of Mt 24:15ff as prophecy which was fulfilled in the destruction of Jerusalem and the Holy by the Romans in 70 AD. Matthew 24:21 would seem to be a stumbling block to such an interpretation. Jesus said "For then (speaking of Mt 24:15-20+) there will be a great tribulation, such as has not occurred since the beginning of the world until now, nor ever will." Note His qualifier "NOR EVER WILL." Jesus is describing a time in history that will never be repeated (if we interpret Him literally, which I do). That means the worst tribulation in the history of the world occurred in 70 AD! What about World War I? What about World War II when 85 million people were killed? But let's say we restrict the "great tribulation" to an event just affecting the Jews. To say that the killing of upwards to a million Jews in 70 AD is worse than the 8 million killed by Hitler in the Holocaust does not seem to fit with Jesus' teaching in Mt 24:21 "NOR EVER WILL." For more discussion see [Matthew 24:21 Commentary](#) All this to say BE A BEREAN when you read the comments (INCLUDING MINE!) on the eschatological passages, especially Matthew 24-25.

JOHN BROADUS - well done verse by verse

James Rosscup writes that "In many ways it is the finest and most satisfying overall older commentary on Matthew. It helps the student on almost every verse. Broadus deals frontally with problems and gives much rich material that throws light on the text. His citations from other sources are often very helpful. From the standpoint of the Greek text, he is also sound. This 1886 work, long a part of the American Commentary on the New Testament series, is still one of the best in detailed explanation of the text where it counts." ([Ibid](#))

Rosscup rates this as the #2 best detailed exegetical commentary on Matthew.

Cyril Barber - Very complete. Tackles interpretative problems honestly. Provides "Homiletical and Practical" suggestions for preachers. Adopts an **amillennial** interpretation of Christ's parables and teaching about the Kingdom. Valuable.

D Edmond Hiebert - One of the ablest American commentaries on Matthew from the past century and still valuable for the systematic interpretation of the gospel. It is the work of an accomplished conservative scholar.

Note: Broadus does interpret [Mt 24:15](#) as fulfilled in 70AD.

G CAMPBELL MORGAN - Commentary

Hiebert - The prince of biblical expositors covers the entire gospel in a series of seventy-three biblical expositions. This volume on Matthew is the best of his expository volumes on the four gospels. Does not deal with critical introductory problems. The volume requires careful and intent reading, and offers many rich spiritual insights into Matthew's gospel.

JAMES MORISON

Hiebert comments on "**A Practical Commentary on the Gospel According to St. Matthew**" (1895) - The lengthy introduction covers critical problems and supports traditional Matthean authorship. This volume of some 650 closely printed pages offers a thorough interpretation by an accomplished conservative scholar of the previous century. It shows wide acquaintance with the scholarly work on the gospel to his day. (Ed: His comments are verse by verse, phrase by phrase, often with a devotional "flavor.")
