SERMON AUDIO Joshua

NOTE: There are literally 1000's of sermons but the quality varies so please exercise a Berean mindset (Acts 17:11[±]). Check out the Pdf's which can be a useful source of preaching and teaching ideas but use discernment. Some of the Pdf's are just church bulletins, some are fill in the blanks as you follow the sermon, some are short outlines, some are more longer transcripts of the entire sermon. You have to search through these.

Through the Bible (C2000 Series) - this series was recorded in the 1980's and while over 30 years old is literally packed with practical insights into how to live the Victorious Christian life based on the eternal truths and principles that are found in the Book of Joshua - highly recommended. This would make a great supplement to your personal through the Bible in a year reading program. Read and study (and [meditate](#)) on Joshua yourself first (using the principles of [inductive Bible study](#)). Then listen to Pastor Chuck's wonderful Spirit-filled, Christ exalting, Word centered, God glorifying discussion of the chapters you have studied and pondered. I can guarantee you will be edified, equipped and transformed by the Spirit ([2Cor 3:18-note](#))!
