In addition you can even listen to the book (I find the English male voice very pleasing and more natural sounding - select voice just below the open page you are reading. **NOTE:** There are literally 1000's of sermons but the quality varies so please exercise a Berean mindset (Acts 17:11<sup>+</sup>). Check out the Pdf's which can be a useful source of preaching and teaching ideas but use discernment. Some of the Pdf's are just church bulletins, some are fill in the blanks as you follow the sermon, some are short outlines, some are more longer transcripts of the entire sermon. You have to search through these.

#### CHUCK SMITH - Joshua

Through the Bible (C2000 Series) - this series was recorded in the 1980's and while over 30 years old is literally packed with practical insights into how to live the Victorious Christian life based on the eternal truths and principles that are found in the Book of Joshua - highly recommended.
