

2.1 - Audio Course

2.1 - Audio Course

A companion audio course on the book of Revelation is available over the Internet from www.SpiritAndTruth.org/teaching/5.htm The course includes audio recordings of many of the background topics as well as verse-by-verse teaching through the entire book of Revelation. The course is available in a variety of formats and can be downloaded to your computer for more convenient access or future reference.

Audio Teaching Button

Wherever the audio button appears within the commentary, a related audio presentation is available on the companion CD or at the www.SpiritAndTruth.org website. In digital versions of the commentary, you may click on the button with your mouse to listen to the audio presentation. The commentary is also available in a variety of [other formats](#).
