

Christian Commentaries Online

Explanation - The following list includes not only commentaries but other Christian works by well known evangelical writers. Most of the resources below are newer works (written after 1970) which previously were available only for purchase in book form or in a Bible computer program. The resources are made freely available by archive.org but have several caveats - (1) they do not allow copy and paste, (2) they can only be checked out for one hour (but can be checked out immediately when your hour expires giving you time to read or take notes on a lengthy section) and (3) they require creating an account which allows you to check out the books free of charge. To set up an account click archive.org and then click the picture of the person in right upper corner and enter email and a password. That's all you have to do. Then you can read these more modern resources free of charge! I have read or used many of these resources but not all of them so ultimately you will need to be a Berean (Acts 17:11+) as you use them. I have also selected works that are conservative and Biblically sound. If you find one that you think does not meet those criteria please send an email at <https://www.preceptaustin.org/contact>. The resources are listed in alphabetical order by the author's last name and some include reviews of the particular resource.

"**Borrow unavailable**" means that someone else has it checked out for an hour. And if they are savvy and really like using it, they will immediately check it out after the hour expires and this keeps it from being shown as "**Available**."

HINT WHEN BOOKS SAY "UNAVAILABLE" - "**Borrow unavailable**" means that someone else has it checked out for an hour. And if they are savvy and really like using it, they will immediately check it out after the hour expires and this keeps it from being shown as "**Available**." I use a few tricks when this happens

(1) If I have the exact quote from the book and want to see the context, I search with a few words from the quote (putting them in quotation marks so that they are the specific words searched). That will allow me to open the page and see the context. Here is an example from Gordon J Wenham's Genesis 1-15 which is almost always listed as "Borrow Unavailable."

(a) So I have this quote from Genesis 3 and want to see the context - *Now, explicit characterization of actors in the story is rare in Hebrew narrative, so it seems likely that in noting the snake's shrewdness the narrator is hinting that his remarks should be examined very carefully*

(b) I selected "*Now, explicit characterization*" and searched it (with the quotes) and found 1 hit, clicked it and retrieved the page with the quote in context. [See the page with this quote](#) and notice it allows you to read 2 pages.

(2) A second trick I use is to put one word in the title in search.

(a) E.g., I searched "genesis" and retrieved 522 hits. Note the page numbers it retrieved which is most of the pages.

(b) You will have to hunt to find what you want but this can occasionally be helpful.

(c) Sometimes you encounter "Limited Preview. Some pages are omitted!" You can try trick #4 but it may not work. **Then you have to wait until you can borrow the book.**

(3) Now let's say you want to look up comments on Genesis 15, the story of Abraham.

(a) Search "genesis 15" and you retrieve 8 hits and notice you have access to almost 12 pages of comments. Remember each hit gives you access to 2 pages.

(b) [Click this one](#) and you see beginning comments on [Genesis 15:1-21](#).

(4) **ONE CAVEAT** - Let's say you perform the maneuvers listed above, click on the page and it is **blacked out**. What you can try to REFRESH that page and many times (not always) it will allow you to read that page. Note this will not always work because it will say "Some pages are omitted."

(5) You need to be "creative" in how you search for specific "unavailable" book. Sometimes I just put a number in the search queue. E.g., I put 7 in the search box and it retrieved 518 hits. Yes, you have to hunt around, but this might allow you to read the comments you are seeking.

(6) One other trick I use since these book do not allow copy and paste is I will do my search and find a quote I want to copy in the actual search column. E.g., [search Wenham's popular book on Genesis 1-15 for "genesis 15."](#) Notice the first hit on page 300. You can copy and paste this hit quote shown below. You can also change the page number and this will sometimes retrieve a readable page. So in the URL in this example -- [Genesis 1-15 for "genesis 15."](#) -- change the page number to 200 and see if it works.

Page 300 The uncountability of Abram's descendants is a perennial theme of [Genesis: 15:5](#); 16:10; 28:14; 32:12. Balaam, the prophet hired by the king of Moab to curse Israel, said Israel was already beyond counting in his day (Num 23:10). Solomon said the same thing some centuries later (1 Kgs 3:8), though of course both eras were famed for their censuses. The NT sees believing Gentiles as well as faithful Jews as being counted as Abram's descendants (Rom 4:16—18; Gal 3:29), so that in heaven there will be "a great multitude which no man can number, from every nation, from all tribes and peoples and tongues" (Rev 7:9).

(7) The more you play around with this on a "Borrow unavailable" book, the better you will become at finding what you are looking for.

NOTE: If you find any other "tricks" that are useful please send me an email.

Very well done conservative commentary that interprets Scripture from a literal perspective [user reviews](#)

Its authors are leading evangelical theologians who provide practical truths and biblical principles. [The Wycliffe Bible Commentary - only the New Testament](#) (for OT see below to borrow) - 1126 pages. (1971) Everett F Harrison - Editor of New Testament. Uses the KJV. Strictly speaking not a study Bible, but short notes are similar. KJV text in left column, commentary notes in right column. One hour limit.

Rosscup - This work, originally issued in 1983, is conservative and premillennial, written to help teachers, preachers and people in every walk of life with different views, explanation and application. The 2-column format runs verse by verse for the most part, usually in a helpfully knowledgeable manner, and there are several special sections such as "Prayer" in Acts and "Legalism" in Galatians. The premillennial view is evident on Acts 1:6, 3:20, Romans 11:26, Galatians 6:16, Revelation 20, etc.

[Moody Bible Commentary](#) - conservative, millennial, 2184 pages

[New Bible Commentary](#) - (1994)

[Evangelical Commentary on the Bible](#) - editor Walter Elwell (1989) 1239 pages.

[Compact Bible commentary](#) by Radmacher, Earl D; Allen, Ronald Barclay; House, H Wayne, et al - 954 pages. Multiple contributors to the comments which are often verse by verse. The comments are brief but meaty and can really help your study through a given book. A sleeper in my opinion.

[The Experiencing God Study Bible: the Bible for knowing and doing the will of God](#) - Blackaby, Henry (1996) 1968 pages - CHECK THIS ONE! Each chapter begins with several questions under the title "PREPARE TO MEET GOD." Then you will interesting symbols before many of the passages. The chapter ends with a "DID YOU NOTICE?" question. This might make a "dry chapter" jump off the page! Read some of the [48 ratings](#)

[Disciple's Study Bible: New international version 54 ratings](#) Not that helpful for verse by verse study. Focuses on application of Christian doctrines. 10,000 annotations; doctrinal summaries, "Life Helps" section relate doctrine to everyday discipleship.

[NIV Cultural Backgrounds Study Bible. Bringing to Life the Ancient World of Scripture](#) Keener, Craig and Walton, John. Editors (2017)

[Zondervan King James Version Commentary](#) - New Testament

[NIV Celebrate Recovery Study Bible](#)

[The Study Bible for Women : Holman Christian Standard Bible](#)

[The Hebrew-Greek Key Study Bible : New American standard study](#) by Strong, James, 1822-1894; Zodhiates, Spiros

[The New Inductive Study Bible : updated New American Standard Bible](#) - Introductions of each book give suggestions how to perform an inductive study on that specific book. Not strictly speaking a "study Bible" with notes but a Bible to help you study inductively. Has wide margins for making notes. This is one that works best in "paper," not digitally.

[With the Word](#) - Devotional Commentary - Warren Wiersbe - [428 ratings](#)

[Halley's Bible Handbook](#) Henry H. Halley - (2000) 2720 pages (much larger than original edition in 1965 and no time limit on use). ([Halley's Bible handbook : an abbreviated Bible commentary - one hour limit](#) 1965 872 pages)

Rosscup - A much-used older evangelical handbook bringing together a brief commentary on Bible books, some key archaeological findings, historical background, maps, quotes, etc. It is helpful to a lay Bible teacher, Sunday School leader, or pastor looking for quick, pertinent information on a Bible book. This is the 72nd printing somewhat revised. Halley packed in much information. Unger's is better overall, but that is not to say that Halley's will not provide much help on basic information.

[The Shaw Pocket Bible Handbook](#) - Editor - Walter Elwell (1984) 408 pages.

"This hardback is small in size but packed full of content: Brief summaries of every book of the bible, cultural, archaeological and historical info, word definitions, pictures, maps and charts." Worth checking!

[The Lion Handbook to the Bible](#) - (1999) 822 pages. This resource is absolutely loaded with very nice color pictures and charts.

[Wiersbe's Expository Outlines on the New Testament](#) by Wiersbe, Warren W

[Cyril Barber](#) - This is a book of exceptional merit. Pastors, missionaries, and Christian workers will profit from its use. Wiersbe introduces each book of the NT, provides an outline, and then furnishes his readers with a chapter-by-chapter discussion of the contents. The homiletic style is a "plus." Recommended.

[Wiersbe's Expository Outlines on the Old Testament](#) by Wiersbe, Warren W [113 ratings](#)

"Even the most difficult Scriptures come alive as Warren Wiersbe leads you book-by-book through the Old Testament and helps you to see the "big picture" of God's revelation. In this unique volume, you will find: • Introductions and/or outlines for every Old Testament book • Practical expositions of strategic chapters • Special studies on key topics, relating the Old Testament to the New Testament • Easy-to-understand expositions that are practical, preachable, and teachable If you have used Dr. Wiersbe's popular BE series, you know how simple and practical his Bible studies are, with outlines that almost teach themselves. If not, you can now discover a wonderful new resource. This work is a unique commentary on every book of the Old Testament. It contains new material not to be found in the BE series.

POSB - [The Preacher's Outline & Sermon Bible : New Testament, King James Version](#) - Acts, Romans, 1 Corinthians, 2 Corinthians, Galatians, Ephesians, Philippians, Colossians - This is a very useful resource which always includes numerous related cross-references. [Practical illustrations : Galatians-Colossians](#) - companion to the POSB

[A Treasury of Books for Bible Study](#) - Wilbur Smith (1960) - see page 159 for interesting chapter on the Holy Spirit in Scripture

[The Bible Knowledge Background Commentary : Matthew-Luke](#) by Evans, Craig A - This resource will give you very interesting

insights and is worth checking on individual passages.

[Dictionary of Biblical Imagery](#) - free for use online with no restrictions (i.e., you do not need to borrow this book). Editors Leland Ryken, J C Wilhoit, Tremper Longman III - This is a potential treasure chest to aid your preaching and teaching as it analyzes the meaning of a host of Biblical figures of speech. **Clue** - use the "One-page view" which then allows you to copy and paste text. One downside is there is no index, so you need to search 3291 pages for entries which are alphabetical.

[The Expositor's Bible Commentary](#) - 2007 edition - Luke and Acts - Temper Longman and David Garland

[The Expositor's Bible Commentary](#) - 2007 edition - Luke by Walter Liefeld - Must be borrowed.

WORD STUDY RESOURCES

GREEK AND HEBREW

NOTE - All of these resources can be borrowed from archive.org. This list also includes resources to help study the Bible.

See also the [list of Word Study Resources](#)

[The Complete Word Study Dictionary: New Testament](#) by Zodhiates, Spiros - This is my "go to" resource for Greek word studies. One of the best lexicons for laymen. Highly Recommended for Greek Word Studies to aid your interpretation of a passage.

[Analytical Lexicon of the Greek New Testament](#) by Friberg, Timothy. Shorter definitions than Zodhiates but does an excellent job in summarizing the various nuances of a specific Greek word. One of my favorites.

[Shorter Lexicon of the Greek New Testament](#) by Gingrich, F. Wilbur. Similar to Friberg but shorter definitions. Gingrich however gives more Scriptures for each nuance, whereas Friberg generally gives only one representative Scripture.

[The New International Dictionary of New Testament Theology](#) (NIDNTT) - Colin Brown, general editor - all three volumes (total 3351 pages) are available and allow copy and paste and all 3 of the volumes below are available at the [same link](#). **See this page for a few instructions on how to most efficiently utilize this incredible resource.**

1. The New International Dictionary of New Testament Theology (NIDNTT) - Colin Brown, general editor - A-F
2. The New International Dictionary of New Testament Theology (NIDNTT) - Colin Brown, general editor - G-P
3. The New International Dictionary of New Testament Theology (NIDNTT) - Colin Brown, general editor - Pri-Z

[The New Linguistic and Exegetical Key to the Greek New Testament](#) by Rogers, Cleon - This book is a gold mine of little gems on individual Greek words in any NT passage you are studying. If you have time it is always worth checking out! I use it in my Greek word studies all the time.

[Word meanings in the New Testament](#) - Matthew-Revelation by Ralph Earle. Strictly speaking this is not a lexicon, but it offers insights on select words in a verse by verse format (but not every verse is included in the analysis). This resource is worth checking if you have time as it can occasionally give some wonderful insights on a specific Greek word.

[New Testament Words](#) - William Barclay - [59 ratings](#) very interesting resource - covers about 70 NT Greek words in Barclay's unique style. On page 289 there is a helpful index of English words with the corresponding Greek word, in turn followed by the places Barclay described them in [New Testament Words](#) and in his Daily Study Bible series ([see list of DSB commentaries here](#)). E.g., take the Greek word for "Covetousness" which is pleonexia and is found in [New Testament Words](#) on page 61 and pp 233-235 and is also described in the Daily Study Bible entries for : Mark 7:14-23; Ro 1:28-32; Eph. 4:17-24; Col. 3:5. So you can click the [DSB commentary on Mark 7](#) and scroll down to Mark 7:14 to see Barclay's entry for pleonexia which concludes "Pleonexia (G4124) is that lust for having which is in the heart of the man who sees happiness in things instead of in God." Interesting!

[Greek-English lexicon of the New Testament : based on semantic domains](#) - Louw Nida. Brief but nice definitions. Not easy to use - you need to know some Greek. Classifies Greek words into 93 "semantic domains" (see list on page XXV) and if you can categorize the word you are looking for in one of the domains, it can help find the specific word you are interested in.

[Kittel's Theological Dictionary of the New Testament : abridged in one volume](#) (TDNT) - Classic ("Little Kittel") work summarizing the 10 volume set by Kittel. For most of us the abridged definition is "more than enough!"

[A Greek-English lexicon of the New Testament, and other early Christian literature \(BDAG\)](#); by Bauer, Walter, More detailed definitions but need to know Greek. Zodhiates and Friberg are much easier to use.

[Liddell and Scott's Greek-English lexicon, abridged : the little Liddell](#) by Liddell, Henry George. The abridged version. You need to know Greek to use.

[Exegetical Dictionary of the New Testament](#) (Volume 1 - A thru E); [Exegetical Dictionary of the New Testament](#) (Volume 3- P thru ...) Volume 2 not available. I do not find this adds much to the easier to use resources like [Zodhiates](#) and [Friberg](#).

[A Pocket Lexicon to the Greek New Testament](#) by Souter, Alexander. Brief definitions. Need to know some Greek. Not that helpful.

[Vine's Expository Dictionary of Old Testament and New Testament Words](#) - pdf. The old standby. You can also borrow [Vine's complete expository dictionary of Old and New Testament words](#)

[New Testament Words in Today's Language](#) by Detzler, Wayne A - Wonderful resource to supplement word studies. [3 ratings](#) THIS IS A SLEEPER!

[Theological Wordbook of the Old Testament](#) by Harris, R. Laird - [229 ratings](#) (5/5 Stars) One of the best OT lexicons for laymen.

[Here is another link to the TWOT](#) which has **no time limit on use** and **does allow copy and paste**. Can be downloaded as PDF.

[So That's What it Means](#) - This is another book formerly titled "**Theological Wordbook**" edited by **Charles Swindoll**. It is now under this new title [So That's What it Means](#) and can be borrowed - it is more like a dictionary than a lexicon but the comments are superb! The contributors include DKC—Donald K. Campbell, WGJ—Wendell G. Johnston, JAW—John A. Witmer, JFW—John F. Walvoord

[Hebrew honey : a simple and deep word study of the Old Testament](#) by Novak, Alfons, (332 pages) Indexed by English words. No Strong's numbers to help you determine if you are researching the correct Hebrew word. Here is a "work around" - go to page 289 and see if there is an annotation of the Scripture you are studying. E.g., say you want to see if there is anything for "heart" in Ezek 11:19. In the Scripture list find an entry for Ezek 11:19 with the English word "Heart." Now go look up "Heart" (on page 123). It does take some effort, but you might glean an insight not described in other Hebrew lexicons.

[Christian Words](#) By: Turner, Nigel, Published: 1980 - >500 pages. An interesting, unique resource on Greek words (no Hebrew) with extensive bibliography. For an example see "[Abba](#)" and "[Alleluia](#)" - "*In Christian vocabulary Alleluia is a heavenly song, a chant of saints in the bliss of Paradise, echoed on earth as joyful seasons.*" One caution is he uses the Apocryphal writings extensively - I am not sure of his theological persuasion.

[Nelson's Expository Dictionary of the Old Testament](#) by Unger, Merrill. Indexed by English word and then any related Hebrew nouns or verbs. Definitions are solid and geared to the lay person.

[Zondervan NASB exhaustive concordance](#) - 1589 pages

[Pocket dictionary for the study of New Testament Greek](#) by DeMoss, Matthew S. If you want to dig a little deeper into Greek. [66 ratings](#)

[Analytical concordance to the Holy Bible](#) : containing about 311,000 references, subdivided under the Hebrew and Greek original with the literal meaning and pronunciation of each by Young, Robert,

[Christian History Magazine #29 - C. H. Spurgeon](#) **Did You Know? ERIC W. HAYDEN A collection of true and unusual facts about Charles Haddon Spurgeon**

Charles Haddon Spurgeon is history's most widely read preacher (apart from the biblical ones). Today, there is available more material written by Spurgeon than by any other Christian author, living or dead.

One woman was converted through reading a single page of one of Spurgeon's sermons wrapped around some butter she had bought.

Spurgeon read *The Pilgrim's Progress* at age 6 and went on to read it over 100 times.

The New Park Street Pulpit and The Metropolitan Tabernacle Pulpit—the collected sermons of Spurgeon during his ministry with that congregation—fill 63 volumes. The sermons' 20-25 million words are equivalent to the 27 volumes of the ninth edition of the *Encyclopedia Britannica*. The series stands as the largest set of books by a single author in the history of Christianity.

Spurgeon's mother had 17 children, nine of whom died in infancy.

When Charles Spurgeon was only 10 years old, a visiting missionary, Richard Knill, said that the young Spurgeon would one day preach the gospel to thousands and would preach in Rowland Hill's chapel, the largest Dissenting church in London. His words were fulfilled.

Spurgeon missed being admitted to college because a servant girl inadvertently showed him into a different room than that of the principal who was waiting to interview him. (Later, he determined not to reapply for admission when he believed God spoke to him, "Seekest thou great things for thyself? Seek them not!")

Spurgeon's personal library contained 12,000 volumes—1,000 printed before 1700. (The library, 5,103 volumes at the time of its auction, is now housed at William Jewell College in Liberty, Missouri.)

Before he was 20, Spurgeon had preached over 600 times.

Spurgeon drew to his services Prime Minister W. E. Gladstone, members of the royal family, Members of Parliament, as well as author John Ruskin, Florence Nightingale, and General James Garfield, later president

of the United States.

The New Park Street Church invited Spurgeon to come for a 6-month trial & period, but Spurgeon asked to come for only 3 months because “the congregation might not want me, and I do not ‘wish to be a hindrance.’”

A caricature of Spurgeon (shown preaching in the Metropolitan Tabernacle’s “crow’s nest”) from the December 10, 1870, edition of Vanity Fair. The drawing was number 16 in the magazine’s “Men of the Day” series. The accompanying text described Spurgeon as “honest, resolute, and sincere; lively, entertaining, and, when he pleases, jocose.”

When Spurgeon arrived at The New Park Street Church, in 1854, the congregation had 232 members. By the end of his pastorate, 38 years later, that number had increased to 5,311. (Altogether, 14,460 people were added to the church during Spurgeon’s tenure.) The church was the largest independent congregation in the world.

Spurgeon typically read 6 books per week and could remember what he had read—and where—even years later.

Spurgeon once addressed an audience of 23,654—without a microphone or any mechanical amplification.

Spurgeon began a pastors’ college that trained nearly 900 students during his lifetime—and it continues today.

In 1865, Spurgeon’s sermons sold 25,000 copies every week. They were translated into more than 20 languages.

At least 3 of Spurgeon’s works (including the multi-volume Metropolitan Tabernacle Pulpit series) have sold more than 1,000,000 copies. One of these, All of Grace, was the first book ever published by Moody Press (formerly the Bible Institute Colportage Association) and is still its all-time bestseller.

During his lifetime, Spurgeon is estimated to have preached to 10,000,000 people.

Spurgeon once said he counted 8 sets of thoughts that passed through his mind at the same time while he was preaching.

Testing the acoustics in the vast Agricultural Hall, Spurgeon shouted, “Behold the Lamb of God which taketh away the sin of the world.” A worker high in the rafters of the building heard this and became converted to Christ as a result.

Susannah Thompson, Spurgeon’s wife, became an invalid at age 33 and could seldom attend her husband’s services after that.

Spurgeon spent 20 years studying the Book of Psalms and writing his commentary on them, The Treasury of David.

Spurgeon insisted that his congregation’s new building, The Metropolitan Tabernacle, employ Greek architecture because the New Testament was written in Greek. This one decision has greatly influenced subsequent church architecture throughout the world.

The theme for Spurgeon’s Sunday morning sermon was usually not chosen until Saturday night.

For an average sermon, Spurgeon took no more than one page of notes into the pulpit, yet he spoke at a rate of 140 words per minute for 40 minutes.

The only time that Spurgeon wore clerical garb was when he visited Geneva and preached in Calvin’s pulpit.

By accepting some of his many invitations to speak, Spurgeon often preached 10 times in a week.

Spurgeon met often with Hudson Taylor, the well-known missionary to China, and with George Miller, the orphanage founder.

Spurgeon had two children—twin sons—and both became preachers. Thomas succeeded his father as pastor of the Tabernacle, and Charles, Jr., took charge of the orphanage his father had founded.

Spurgeon’s wife, Susannah, called him Tirshatha (a title used of the Judean governor under the Persian empire), meaning “Your Excellency.”

Spurgeon often worked 18 hours a day. Famous explorer and missionary David Livingstone once asked him, “How do you manage to do two men’s work in a single day?” Spurgeon replied, **‘You have forgotten that**

there are two of us.”

Spurgeon spoke out so strongly against slavery that American publishers of his sermons began deleting his remarks on the subject.

Occasionally Spurgeon asked members of his congregation not to attend the next Sunday’s service, so that newcomers might find a seat. During one 1879 service, the regular congregation left so that newcomers waiting outside might get in; the building immediately filled again.

Eric W. Hayden, formerly minister at the Metropolitan Tabernacle, is the author of numerous books on Spurgeon, including *Searchlight on Spurgeon* (Pilgrim, 1973).

[Christian History Magazine #32 - Dietrich Bonhoeffer](#) Dietrich Bonhoeffer was a twin. (He was born just before his twin sister, Sabine. Dietrich’s father, Karl, was Berlin’s leading psychiatrist and neurologist from 1912 until his death in 1948. Dietrich was so skilled at playing the piano that for a time he and his parents thought he might become a professional musician. At 14, Bonhoeffer announced matter-of-factly that he was going to become a theologian. Bonhoeffer earned his doctorate in theology when he was only 21. Though later he was an outspoken advocate of pacifism, Bonhoeffer was an enthusiastic fan of bullfighting. He developed the passion while serving as assistant pastor of a German-speaking congregation in Barcelona, Spain. Bonhoeffer was ordained, church seminaries were complaining that over half the candidates for ordination were followers of Hitler. In 1933, when the government instigated a one-day boycott of Jewish owned businesses, Bonhoeffer’s grandmother broke through a cordon of SS officers to buy strawberries from a Jewish store. In his short lifetime, Bonhoeffer traveled widely. He visited Cuba, Mexico, Italy, Libya, Denmark, and Sweden, among other countries, and he lived for a time in Spain, in England, and in the United States. Bonhoeffer taught a confirmation class in what he described as “about the worst area of Berlin,” yet he moved into that neighborhood so he could spend more time with the boys. Bonhoeffer was fascinated by Gandhi’s methods of nonviolent resistance. He asked for—and received—permission to visit Gandhi and live at his ashram. The two never met, however, because the crisis in Germany demanded Bonhoeffer’s attention. © Bonhoeffer served as a member of the Abwehr, the military-intelligence organization under Hitler. (He was actually a double agent. While ostensibly working for the Abwehr, Bonhoeffer helped to smuggle Jews into Switzerland—and do other underground tasks.) Bonhoeffer studied for a year in New York City. He was uniformly disappointed with the preaching he heard there: “One may hear sermons in New York upon almost any subject; one only is never handled, . . . namely, the gospel of Jesus Christ, of the cross, of sin and forgiveness. . . .”

[Christian History Magazine #104: New Industrial Economy](#) How did the church respond to widespread changes brought on by the Industrial Revolution? Jobs being lost to machines. Instant communication across continents. A widening gap between rich and poor. Sounds like the 21st Century? Certainly. But these realities first hit the scene with the dawning of the Industrial Age over 150 years ago. How did the church respond as this new world emerged, and what can we learn from the success and failures of our predecessors? Find out in this thought-provoking, thoroughly relevant issue of Christian History magazine.

[Christian History Magazine #107: Charles Darwin](#) Issue #107 of the Christian History magazine examines the responses of 19th century Christians to the challenge of Darwinian evolution. Read about the reactions of theologians, scientists, pastors, authors, bishops, and politicians as they grapple with the questions of Darwinism in many and diverse ways—ranging from hostility to reconciliation—and learn how Darwinism eventually became a symbol of warfare between science and Christianity.

[Christian History Magazine #114 - Francis Asbury and the Methodists](#) What happens when a lower-middle-class metalworker from a rough neighborhood in the middle of the English countryside leads a few immigrant preachers amid the religious diversity of the American colonies? After Francis Asbury heard the Methodist message of salvation marked by a life of discipline he volunteered to go to America as a missionary in 1774. Nothing about American religion would ever be the same again. Dynamic worship, energetic circuit-riding preachers, and a close-up, personal style of leadership made Methodism a movement perfectly suited to bring the word of God to the new nation of America. And Asbury led the way.

[Christian History Magazine #126 - Baptists in America](#) From Roger Williams to Billy Graham, the history of Baptists in America illustrates the struggles and triumphs of both the United States and of the Christian faith in the American context. Since their turbulent beginning, Baptists have been committed in their evangelical message, congregational in their polity, and concerned for the freedom of the individual in matters of worship and conscience. Meet the men and women who shaped Baptist history and discover the theology, context, splits, and controversies that forged the largest Protestant group in America in this colorful issue of Christian History.

[Christian History Magazine #139 - Hallowed Halls](#) Throughout Christian history, believers have often grappled with ideas about higher education. Should they pursue higher education for the common good? How important are the liberal arts? What place does

religion have in the university curriculum? Should explicit Christian practice be required of students? What courses and activities best equip young people to be good Christians and good citizens? This issue of Christian History looks at a number of attempts to answer these questions, following schools of particular historical interest to the story. Beginning with the development of the first institutions in the Middle Ages - precursors to our own modern universities - and their vision for a classical education centered around theology, we trace what happened to that vision after the Enlightenment when a new kind of university arose. Finally we consider how these visions made their way to America, where today wholly secular universities, explicitly Christian schools, and historically church-related colleges all dot the landscape. Discover the Christian story of the university in this latest issue of CH.

[Christian History Magazine Issue 154: My Utmost For His Highest](#) What's a curiously common Christian experience from when you were young?

If you've grown up surrounded by the faith, you're sure to have at least one answer. Senior saints have often told me stories about camp revival meetings when they were kids, or how a bus drove around the community on Sunday mornings to round up all the town's children and take them to Sunday school. Members of my generation might talk about growing up watching and learning from Veggie Tales, the Donut Man, or Psalty the Singing Songbook.

Some experiences cross those generational lines. For instance, whatever generation you belong to, it's likely that someone, at some early point in your Christian journey, gave you a copy of a certain devotional: *My Utmost for His Highest* by Oswald Chambers.

I don't remember who gave me my first copy or even when—it may have simply materialized when I rededicated my life to Christ at summer camp (another common Christian experience of my generation)—but I do remember reading it. I read it often—and to be frank—I don't think I really got it. My first copy of *My Utmost* got forgotten and lost in the shuffle of adolescence.

Twenty-some years later, preparing for this issue, I received another copy of *My Utmost*. When I opened it this time, however, something clicked. The entries resonated, ringing with truth and a hope I didn't even know I needed. And as I read on each day, slowly turning the words of that day's reading over in my mind, I became curious about the man who wrote them.

The man (and woman) behind *My Utmost*

Who was Oswald Chambers, after all? As David McCasland, Chambers's biographer, shows in this issue (see pp. 31–32), his experience with the devotional was similar to my own. When he picked up *My Utmost* as a more seasoned Christian, dealing with difficult circumstances and spiritual uncertainties, Chambers's words became “a major source of encouragement and guidance for living life in the Spirit.”

His renewed interest in *My Utmost* also sparked a deep curiosity in the man behind it. McCasland uncovered the fascinating and untold story of Chambers, which you'll read about in the following pages. A Scottish poet, artist, intellectual, and minister, Chambers possessed an approachable and sincere faith that allowed him to speak effectively to the spiritual challenges of the modern world. His unique abilities took him to the United States, Japan, and even to the Egyptian warfront of World War I.

You'll also discover an unsung hero: Oswald's wife, Gertrude “Biddy” Chambers. Without her work, *My Utmost for His Highest* would never have existed. Gifted with unique abilities of her own—a talented stenographer, typist, administrator, and teacher—she preserved and presented her husband's wisdom to audiences worldwide and launched the most beloved devotional of all time.

My Utmost for today

The story of Oswald and Biddy Chambers is a dynamic one, full of adventure and romance; struggle and tragedy; new life and new hope. Indeed it is truly a story of two people who gave their utmost for his highest. As you read I hope you will come away with a new appreciation for that old devotional on your bookshelf, or perhaps bring home a new copy for fresh reflection. And maybe you'll continue that curiously common Christian experience of giving *My Utmost* to that bright-eyed young believer in your life.

She may not get it yet, but one day, it just might change her life. CH

[Christian History Magazine #112 - Heaven](#) Bright lights, glorious sky, clouds, harps and song, choirs of angels, dancing, a garden, a pasture, walls and ladders, gates, a temple, living waters...Christians through the centuries have pictured heaven in many ways through art, music, literature, and theological writings. They have debated who goes to heaven, when and how we go, and whether we stop off in purgatory on the way. Read about it all in this issue of Christian History on Heaven in the Christian Imagination.

Bloody, nightmarish wars that transformed the face of the globe, claimed entire families, and ushered in the nuclear age. As the world fought to save Western civilization, Christians fought too, in battles both physical and spiritual. Their stories are heart-wrenching, challenging, and touching, and there are some stories we'd rather forget. Read them all in this expanded issue of Christian History on World Wars I and II.

[Christian History Magazine #151 - Revivals II](#) Join CH as we unfold historical revivals from the sixteenth through eighteenth centuries, a second issue in our series on revival. Revival, as defined in CH's first issue in this series (#149), is 1) popular— a widespread occurrence; 2.) transformative— resulting in conversion and recommitment to Christ; 3.) institutionally unsatisfied and critical— movements that question, reform, and renew institutions; and 4.) devotional— emotionally charged. This issue details movements that certainly fit these criteria, focusing extensively on the First and Second Great Awakenings. Both awakenings swept through America and transformed her church. We take a deep dive into the revival preachers and gatherings of that specific time, highlighting the lives and ministries of influential revivalists: George Whitefield, John and Charles Wesley, Jonathan Edwards, and later, Charles Finney, Barton W. Stone, and A.B. Simpson, among many others. These awakenings resulted in the renewal of many people and in many ways, the conversion of a nation. But before we jump into the heart of these awakenings, we start as CH often does: in unexpected places. From the institutionally critical English Puritans, whose reform movement made waves in the Church of England, we move to Reform Catholics of the Early Modern period, whose desire to more deeply encounter Jesus transformed the Catholic church. Around the same time, Pietism would change local communities and influence figures well beyond its beginnings within German Lutheranism. In this issue, you'll see how God used these movements as perhaps unlikely vectors of revival. Through stories and people you may be familiar with, to those figures less often recognized and easier to miss within the big “Awakening” picture, we invite you to follow the threads that spanned continents and faith traditions to weave a fascinating tapestry of spiritual revival.

[The treasure principle bible study](#) Discovering the Secret of Joyful Giving by Smith, Brian; Alcorn, Randy (2003)

Readers of Randy Alcorn's bestseller The Treasure Principle encountered a revolution in material freedom and generosity that utterly changed their quality of life. In this companion Bible study, the principles become personally applicable and more real than ever, with a powerful combination of biblical concepts, practical quotations from the book, thought-provoking questions, group discussion starters, and short Scripture passages for meditation and memorization. Managing God's investment in their lives will become a new delight, as Christians learn to put their resources to their most rewarding use.

Publishers Weekly - "When you discover the secret joy of the Treasure Principle, I guarantee you'll never be content with less." So claims Alcorn in the introduction to this small gift book on Christian generosity. Noting that fifteen percent of Christ's teachings in the New Testament deal with money and possessions-more than his teachings on heaven and hell combined-Alcorn compares heavenly treasure, which is eternal, with earthly riches, which "will always be lost" after death. Alcorn encourages Christians to understand that everything they believe they own is actually God's; they are merely managers. He is a compelling storyteller, whether drawing on Scripture, accounts of others who have lived generously, or recounting his own experiences; all of his book royalties and a large portion of his salary go to charity. Analyzing the pervasive disease of "affluenza" and the fact that Americans' unprecedented wealth does not seem to be bringing extraordinary happiness, he says that he and other people who have discovered the secret of unfettered giving know that they are storing up treasures in heaven, their true home. Alcorn's writing here is more akin to a motivational speech (including an overabundance of rhetorical questions, italicized words and exclamation points for emphasis) than a book. However, many Christians will appreciate his countercultural messages that "giving is the only antidote to materialism" and the "health and wealth gospel dishonors Christ." Indeed, for many, this could be a life-changing book.

[Our Covenant God : learning to trust Him](#) by Arthur, Kay, [123 ratings](#) Many (most) Christians do not truly grasp the profound, life changing meaning of God's covenants with man. If you have never studied covenant in depth (I am not speaking of listing the facts about the various covenants like Abrahamic, Mosaic, New) you will be pleasantly surprised about the practical truths of God's covenant! I speak with experience because the truth in this study literally "resurrected" our dead marriage and we have now made it to 52 years (2022). I strongly recommend this book.

BLOCK, DANIEL

[Judges, Ruth. Vol. 6: New American Commentary](#) (1999) 776 pages [Read more user reviews.](#)

Rosscup - An evangelical contributes 586 pp. on Judges and 151 on Ruth. Introductory sections for both books survey the state of scholarly opinion and his belief in the integrity and reliability of the biblical books. Copious footnotes, often lengthy, reflect on others' views, verifications of points in the books and also in other scripture, etc. Verse by verse work offers detail on grammar, word meaning, background, customs, and interpretive problems. Block holds that Jephthah sacrificed his daughter in death. On passages overall, this is a standout commentary, yet at times it states convictions without a specific answer to other leading views. One instance is in not commenting on the view that Ruth acted indecently with Boaz at night. Some accounts, as episodes of Samson, seem for the most part to be explained in reasonable detail. (Commentaries for Biblical Expositors: An annotated bibliography of selected works)

Cyril Barber "An exceedingly valuable exegetical and theological exposition. Based on the NIV, though Block gives evidence of working from the Hebrew text. Readers will find this a learned, discerning discussion that readily explains the meaning and message of these twin books. Recommended.

Few scholars, whether evangelical or critical, Christian or Jewish, know the book of Ezekiel like Daniel Block. This collection of essays profoundly deepens and enriches our appreciation of the prophet's work and is an essential resource for all who study it. --Iain Duguid, Grove City College --Wipf and Stock Publishers

Rosscup - This work, first issued in 1954, is now revised not long before Bruce died, with a new translation of the Greek text in place of the ASV. The bibliographical lists are extensively updated in footnotes, Bruce has interacted with later studies, arranged comments on fewer verses, and achieved a more lucid style in places. However, the basic verse-by-verse commentary remains substantially the same. It remains the finest commentary on Acts as to exposition in detail. Bruce points to I. H. Marshall's commentary for detail on Luke's theology. He shows a fine grasp of pertinent history, a sound explanation of most passages, and insights on many of the problems.

D A CARSON

[The God who is there : finding your place in God's story](#) by Carson, D. A [274 ratings](#)

It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

[Challenging church : the good book guide to 1 Corinthians 1-9](#) by Dever, Mark [9 ratings](#)

Even today, Jesus is still a figure of intense interest and admiration for millions. But then there's His church. Church is a boring topic for most, and a reluctantly fulfilled duty for many. And we can understand why. Churches say they have the best news in the world, that they have the answer to our problems, that they are God's embassies on earth; and yet churches are made up of people like you and me, who are grumpy, irritable, unfaithful, selfish, and worse. And as that is sadly true of churches today, so it was of the church in Corinth. It was young, it was full of life, and it was just as full of problems. What would God say to such a challenging church? What did they need to be excited by, to listen to, to learn? Use this seven-study guide to open up the first nine chapters of the letter of 1 Corinthians, to hear what God said to His church in Corinth, and what God still says to His church today.

DEVOTIONALS

AN APPEAL - Although I am listing these devotionals, let me encourage you to use them only as an instrument to drive you to the pure milk of the Word of God (1 Peter 2:2+). Why? Devotionals per se will not cause you to grow progressively in sanctification as effectively as the Word of God. It is the difference between reading words about the Word and reading the Word itself. Does that make sense? When you read the pure Word, your Father is speaking directly to you through the Spirit, exalting the One you are to daily imitate (enabled by the Word and the Spirit), Jesus Christ our Lord. At least spend as much time reading the Words of God as you spend reading devotional words about the Word of God.

PAUL ENNS

[Judges Bible Study Commentary](#): Judges. Everyman's Bible Commentary (1982) (Zondervan)

Cyril Barber - A practical, clearly outlined, conservative treatment. Ideal for lay people.

[Ezekiel](#) by Enns, Paul

Rosscup - This is a brief work of only 144 pages, but it is thought provoking. Ellison views 28:11–19 (and Isaiah 14:4–23) as not speaking of the fall of Satan as many believe. He interprets the revolt of Gog in chapters 38–39 as occurring at the end of the millennium in Revelation 20:7–11, as does Erich Sauer in From Eternity to Eternity (p. 134). He also takes chapters 40–48 as allegory and rejects the view of a re-establishing of a literal temple and sacrifices during the millennium. Yet he devotes only eight pages to these nine chapters. Ellison is also contributor of I and II Kings and I and II Chronicles in the New Bible Commentary.

[Faith, hope, and love](#) SERMON OUTLINES - by Enns, Paul - Excellent resource for sermon background. Includes illustrations.

The outlines for this book (AND ONE BELOW) have been chosen from some of the most respected preachers in history. Each book in the Bryant Sermon Outlines Series contains thirty or more outlines focusing on one theme. These outlines on faith, hope and love (AND FRUIT OF THE SPIRIT) are designed to spark an idea, provide an initial structure, and/or furnish a fitting illustration.

ERDMAN, CHARLES

Rosscup - Concise treatments are given to each of the N. T. books. The main value of the set lies in its clear synthesis which helps the student grasp the flow of thought as he moves through a book. Erdman possessed a lucid writing style. He was amillennial.

Cyril Barber's critique - Reprinted after years of neglect, this epochal work treats history, geography, archaeology, and the settlement of Israel in the land. Though he adheres to a modified form of the documentary hypothesis, Garstang's treatment is nevertheless possessed of a freshness and vitality seldom found in works of this nature.

Work out your salvation with fear and trembling. Many within the church believe they are saved because they made a profession of faith, believe the Bible is true, and try to live a good life. But the Bible has so much more to say about salvation! R. Kent Hughes presents Sought by Grace, his provocative work seeking to raise readers' level of commitment to work out their salvation. He boldly confronts unbiblical views of salvation while gently leading readers to a deeper understanding of the role Christ plays in their lives as Savior and Lord.

[1 & 2 Timothy and Titus : to guard the deposit](#) by Hughes, R. Kent, Rosscup ranks the #3 (out of 6) expositional commentary.

Cyril Barber - The authors include personal anecdotes in these commentaries, and this gives their work a down-to-earth quality. They adhere to the text and are not afraid to champion interpretations (e.g., of 1 Timothy 2:11-12) that are unpopular in today's milieu. Anyone teaching or preaching on these "pastoral" epistles will find considerable help in these pages.

[Love to the loveless : the message of Hosea](#) by Kidner, Derek

In the Bible Speaks Today series, this work on Hosea is scholarly in a readable, practical thrust. Kidner gives "A bird's-eye view of the book" in 5 1/2 pages (137–42) that helps the reader see main thoughts quickly. Though without a numbered outline, the exposition is set off under catchy headings. Kidner favors seeing Hosea 3:5 ultimately fulfilled in what Paul predicts for literal Israel at the end of the present age in Romans 11:12, 15, 25ff. (p. 44; he is unclear on what this means). This is a brief but very competent work presented in a refreshing style by an evangelical of international repute.

LOCKYER, HERBERT

[Last words of saints and sinners](#) by Lockyer, Herbert - THIS IS A FASCINATING BOOK TO READ! [105 ratings](#)

The last words of the dying have fascinated readers throughout history. They reveal the fears, hopes, courage, and legacies of both the famous and not-so-famous. This collection of seven hundred quotes includes the last words of commoners, atheists, poets, and politicians along with noted Christians and martyrs. Excellent for casual reading and as a ready reference source for the pastor or public speaker.

[Bible-Centered Devotions on Purity and Hope](#) (Volume I) by Lockyer, Herbert - **This is a SLEEPER!** I was skimming through and found this little gem to whet your appetite to read this book - "Sin persisted in means that the sinner easily catches fire at temptation." That is a pithy, profound picture of sin! The devotions are punctuated with beautiful black and white photography (in all 4 volumes), something you seldom see today.

"That life is made up of new beginnings is a truism we cannot escape as we enter the circle of another year. With two faces, one looking back and the other forward, we approach the opening month on our calendar. It signifies life and promise and seems to say to our hearts, 'Grow old along with me, the best is yet to be.'"—Herbert Lockyer In these Bible-based meditations, Lockyer ponders the message God sends through the seasons to the hearts and souls of humanity. *Seasons of the Lord* is as multicolored as the leaves of autumn and as spiritually refreshing as the first day of spring. This yearlong devotional combines four of Herbert Lockyer's seasonal devotionals into one source, with devotions for each day of the year, complete with Scriptures and relevant reflections.

[Dark threads the weaver needs](#) by Lockyer, Herbert

"When the loom is silent and the shuttles cease to fly, then the Weaver will explain why the dark threads were as needful as the threads of gold and silver. As the skies continue dark and overcast, and shades of night obscure the light, may grace be ours ever to remember that the God who cannot err is able to make us perfect through suffering."—Herbert Lockyer, *Dark Threads the Weaver Needs*

Suffering is an age-old question that has puzzled the people of God since time began. After all, if our God is both a loving and an all-powerful Being, why does He allow such pain and suffering in the world? At the age of eighty-two, legendary Bible scholar Dr. Herbert Lockyer set out to answer this question. As he watched his wife of sixty-six years slowly fade from loving spouse to an incapacitated person who needed his constant care, he looked upon her afflicted, helpless form and asked, O my God, why? In this outstanding work, Lockyer does not present ideas on how to cope with suffering but rather teaches how to pass through it, removing self-pity and using personal trials as a springboard to help others. In the midst of his darkest hour, Lockyer examines the problem of human suffering in light of God's love and His eternal plan.

LONGMAN, TEMPER

[How to read Exodus](#) by Longman, Tremper

[1 Chronicles thru Job](#) by Longman, Tremper (2012) 248 pages.

Here's an accessible reference that aids personal Bible study or Sunday school preparation—the Layman's Bible Commentary, reference for the everyday Christian, not the scholar! Volume 4—covering 1 Chronicles through Job—provides section-by-section commentary on the flow and theme of each book, as well as historical and literary context for each. Major interpretations are presented for controversial passages and topics. Puzzling passages and Bible practices are explained, and charts and diagrams further aid your understanding. And "Take It Home" segments provide a practical application for each passage.

[The book of Ecclesiastes](#) by Longman, Tremper - New International Commentary on the Old Testament

Cyril Barber - The author provides an extensive introduction to Ecclesiastes, explores the traditional background matters as authorship, language, genre, structure, literary style, and theology. Longman argues that the author of Ecclesiastes is not Solomon (BE A BEREAN Acts 17:11+), but a writer who adopts a "Solomonic persona." In his verse-by-verse commentary this OT scholar clarifies what to many is the confusing message of Ecclesiastes.

Rosscup - The Professor of OT, Westminster Theological Seminary, argues that in 1:12–12:7 Qoheleth, not Solomon, is pessimistic, but a different writer (narrator) of the prologue (1:1–11) and epilog (12:8ff.) offers the right view of life. He uses the other material as a method to instruct his son (12:12) about the folly into which a mere human perspective can plunge one. Many readers will, however, find much in 1:12–12:7 showing a healthy outlook, as in repeating the fear of God (5:7; 7:18; 8:12–13, as well as 12:13). The fear in the three earlier places need not be seen as "fright" as Longman perceives it as fitting his theory, but can be respectful awe. Longman does not always steer readers aright, but he has a widely-researched work that stimulates scholarly minds, some of this coming in footnotes about such things as word meaning and grammar.

[How to read the Psalms](#) by Longman, Tremper

Cyril Barber - Aply introduces the Psalms so that users of this handbook will derive maximum benefit from the devotional reading of this portion of God's Word.

[How to read Proverbs](#) by Longman, Tremper

[Song of Songs](#) by Longman, Tremper

Rosscup - In a work of 238 big pp. with broad study behind it, Longman says the Song may or may not be by Solomon (**ED**: I HAVE A PROBLEM WITH THIS GIVEN THAT THE NAME OF THE BOOK IS THE SONG OF SOLOMON. BE A BEREAN Acts 17:11+). The story is not about him, rather the two main characters, a woman and a man, are seen in terms of a literal (natural) sexual relationship, the Song being an anthology of love poems expressing emotions, not a drama with an overall plot, and not a piece with allegorical meanings (27–37). Longman's discussion of views in history (20–47) is valuable. He sets the poetry in the world of

ancient near eastern love poetry (Egyptian, Mesopotamian, northwest semitic, etc., 49–54). It affirms love, sex, and marriage in relation to God's redemptive aims for relationships, and in sync with Him (70). The commentator devotes a half page to two and a half on verses, unpacking what their meaning suggests, for instance man's admiring comparison of the woman to a mare among chariots, enhanced by ornaments (1:9). Serious users will include this, one of the top overall sources, especially in the informative introduction and effort to keep a natural sense (cf. the opposite in Brooks, among many others).

Cyril Barber - The author is unclear as to whether or not this Song was written by Solomon. He does not believe that the story is about Solomon, but rather that this anthology is about a man and a woman involved in a sexual relationship. He does not believe that there is any uniform plot, nor does he see in the text grounds for allegorical meanings. Scholarly. Contains excellent word studies.

MOO, DOUGLAS

[Galatians](#) by Moo, Douglas J

Tim Challies - **Douglas Moo – *The Epistle to the Romans* (New International Commentary on the New Testament)**. There is no shortage of commentaries on the book of Romans! Not only that, but there is no shortage of excellent commentaries to choose from. Pride of place appears to go to Douglas Moo and his contribution to the NICNT series. D.A. Carson commends it and says, “Moo exhibits extraordinary sense in his exegesis. No less importantly, this is the first commentary to cull what is useful from the new perspective on Paul while nevertheless offering telling criticism of many of its exegetical and theological stances.”

Cyril Barber - Moo, Douglas J. *The Epistle to the Romans*. New International Commentary on the New Testament. Grand Rapids: Eerdmans, 1996. This commentary focuses both on the theological meaning and the contemporary significance of Paul's letter. Of value is Moo's discussion on such issues as Jewish law, the relationship between Jews and Gentiles and the people of God. Moo carefully analyzes each passage and interacts with the views of others before stating his views with meticulous precision. Here is a work that ranks with the best works on this epistle.

Keith Mathison (Ligonier) - Number one rated = Douglas Moo — *The Epistle to the Romans* (New International Commentary on the New Testament, 2018). The first edition of Douglas Moo's NICNT commentary on Romans was published in 1996. It has recently been released in a second updated edition. This commentary is judged by many to be the best all-around evangelical commentary on Romans. It is thorough, but it is not overly technical. Moo presents his exegetical arguments carefully and cogently. This reader is especially impressed by his treatment of Romans 11. In terms of intermediate–advanced level commentaries, this one is the best place to begin. Moo has also written the commentaries on Romans in the [Encountering](#) series and in the NIVAC series.

[The letter of James](#) by Moo, Douglas J - Pillar NT Commentary Series

Tim Challies - **Douglas Moo – *The Letter of James* (Pillar New Testament Commentary)**. Moo's commentary is widely regarded as the best treatment of James and is universally recommended by the

commentators on the commentaries. You may recognize his name from the recommendations for Romans where his name also appears. Keith Mathison says it well: “If you can only have one commentary on James, this is the one to have. Highly recommended.” Do note that Moo has also written a volume for the Tyndale New Testament Commentary series; if you own this one (which you should) you will have no need for the other.

[Cyril Barber](#) - This highly original commentary seeks to make the letter of James clear and applicable to Christians living today. While interacting with the latest views of this portion of God’s Word, Moo avoids giving it an academic flavor. He ably bridges the gap between James’ 1st century readers and believers today. Insightful.

[Keith Mathison \(Ligonier\)](#) - Number 1 rated = Douglas Moo — The Letter of James (Pillar New Testament Commentary, 2000). Douglas Moo is one of the top conservative New Testament scholars alive today. He has written one of the best commentaries on Romans, and now one of the best commentaries on James. If you can only have one commentary on James, this is the one to have. Highly recommended. Moo has also contributed the volume on James in the Tyndale New Testament Commentary series, but if you have the Pillar volume, the Tyndale volume is unnecessary.

James Rosscup - Moo, Douglas J. The Letter of James (Pillar NTC). Grand Rapids: Eerdmans, 2000. Moo in this exegetical study is longer (271 pp.) than his earlier effort in this list. He argues for authorship by James, the Lord’s brother (20–22), discusses seven areas of theology (27–43), and argues that in James faith of those God has freely justified expresses its reality in obeying God (38, etc.), as Paul held in “faith working through love” (Gal. 5:6). Clear exposition is thought out well, and sometimes Moo grapples with views and problems (not all, cf. “crown,” 1:12, and Hodges). In 2:14 he distinctly counters Hodges (123–24), and again at 2:18, 26 (128–29, 143). His detail on 2:14–26 is fairly helpful; he also is diligent with “spirit” in 4:5, and “sick” in 5:14. Among medium-length works, this is one of the best in recent years.

[The letter of James : an introduction and commentary](#) by Moo, Douglas J - Tyndale New Testament Commentary

James Rosscup - Moo, Douglas J. The Letter of James: An Introduction and Commentary (Tyndale New Testament Commentary). Downers Grove: IVP, 1985. 191 pp. Eerdmans published the same commentary in 1989. It is a concise, conservative, clear work adept in exegetical details from careful research by a member of the New Testament faculty at Trinity Evangelical Divinity School. It is helpful especially for teachers and preachers. Moo, who did the massive 2-volume work on Romans, also wrote “James” in The Evangelical Commentary on the Bible, ed. W. A. Elwell (Grand Rapids: Baker, 1989).

[The Gospel According to Matthew](#) - Pillar NT Commentary

[The First epistle of Paul to the Corinthians : an introduction and commentary](#) by Morris, Leon,

Rosscup - Though the works in the Tyndale Series are concise, this is a good commentary and is recent. Morris is adequate a good part of the time in his comments on passages, but weak in detail on historical background, evidently because of the brevity to which he was held.

[Galatians : Paul's charter of Christian freedom](#) by Morris, Leon,

Rosscup - This concise product often says a lot that shoots to the crux in a well-organized form. Morris has

readable print and flowing style. Teachers, preachers, students and laity will profit by following through verses and getting some careful help on some of the problems, though at times space does not allow posing considerations (3:17; 6:16), contributing to some generality. It is a rather good survey by a discerning scholar, it simply vies with many works that provide far more, at least for teachers and diligent studying pastors.

OLFORD, STEPHEN

What is “expository preaching?” In this brilliant new book, Dr. Stephen Olford and Dr. David Olford, both widely respected preachers in their own right define “expository preaching” (“exposing Scripture instead of imposing upon it”), teach its technique, and express its significance (“all true preaching is expository”). This book equips and encourages preachers of all kinds to respect their calling and minister God’s inerrant Word by the Olford’s marvelous methods.

[Unger's bible handbook : a best-selling guide to understanding the bible](#) by Unger, Merrill F

Rosscup - A former Professor of Old testament at Dallas Seminary, evangelical writer of many scholarly books, did this in his late years. He has sections on each Bible book, archaeology, Major Prophets, Minor Prophets, between the testaments, the four gospels, epistles of Paul, how the Bible came to us, Bible statistics, outline of church history, creation stories, Ur of Abram's day, Egypt, Assyria, the Chaldean empire, demonism, miracles, Bethlehem, Dead Sea scrolls, Corinth, Ephesus, Rome, etc. The work includes more than 20 charts and 30 maps and has color sections. Unger has good material at some points in surveying passages, dealing with certain problems, etc., and handles the long-range prophecies in a premillennial way. Often he is very cursory.

VOS, HOWARD

[Genesis](#) (Everyman's Bible Commentary) by Vos, Howard Frederic, [8 ratings](#) Vos was Professor of History and Archaeology, King's College, Briarcliff Manor, New York.

James Rosscup - A simple, broad survey by a conservative who tends to give some good comments but at times not nail down his view to explain a matter (cf. his survey of four views on days in Genesis 1, then leaving the matter hanging, and not commenting on how long God rested in 2:1-3; or his not choosing a preference on "sons of God" on Genesis 6 after a shallow consideration of issues). However, in a concise treatment he does touch on many of the problems.

[1, 2 Samuel : Bible study commentary](#) by Vos, Howard Frederic,

Roscupp - Vos was Professor of History and Archaeology, King's College, Briarcliff Manor, New York, In this conservative work he gives a long outline at the outset, then incorporates this in his survey of I and 2 Samuel. For many Bible teachers, preachers, and lay people the exposition helpfully sums up what is said and some implications. It offers brief explanation of some main problems, such as the number judged at Beth Shemesh in I Samuel 6:19ff. and how to fill in the number of Saul's years in 13:1.

The biblical shorthand of theological language is useful for expressing complicated doctrines-but only for those who understand it. Key Words of the Christian Life demystifies words and concepts like "justification," "sanctification," and "adoption into the family of God" for lay readers. Each chapter focuses on a New Testament word or phrase that has important implications for the believer's life and faith. Warren Wiersbe gives easy-to-grasp explanations of each word's theological meaning, along with practical application for the Christian life. Wiersbe's careful teaching will be invaluable to everyone from new believers to those looking for resources to teach others the powerful implications of key Bible words.

WOOD, LEON

[Genesis : a study guide : Wood, Leon](#)

Rosscup - This is a republication of the 1975 study guide of 152 pp. below. A staunch conservative offers a quick survey in basic information, often resolving main problems briefly. He leaves open the length of the days in Genesis 1, employs a detailed outline, and primarily assists lay readers and students looking for a terse review. A fine, brief evangelical survey of the main flow of the book, with a number of quite helpful comments on problem areas most readers want to see discussed. Among the briefer works this is one of the best.

[Survey of Israel's History - Revised Edition](#) - Leon Wood - 416 pages (1986). [See user reviews](#)

James Rosscup - This is one of the most rewarding surveys available from the standpoint of giving a survey and yet pausing on key problem areas to state a well-considered view and specific supports marshalled briefly.

It is firmly evangelical.

James Rosscup - Chapter 8 surveys the Joshua period succinctly but very helpfully in conservative style, dealing with main problems such as the long day and providing frequently good footnotes. Another fine survey of conservatives is by John J. Davis & John C. Whitcomb, Israel, A Commentary on Joshua-2 Kings (Grand Rapids: Baker, 1989, 542 pp.). The latter work combines three former books, Conquest and Crisis, The Birth of a Kingdom and Solomon to the Exile. Wood's section on Joshua, as the other parts, offers comments that pull together main truths and seek to assist on main problems even to the extent of giving views and reasons.

[The Bible & future events : an introductory survey of last-day events](#) - Leon Wood - 208 pages. [See user reviews](#).

[The Prophets of Israel](#) - Leon Wood - 405 pages (1979) [See user reviews](#).

James Rosscup - A thoroughly conservative work, very clearly written, in two sections, prophetism and the prophets. Wood under the first division goes into the identity, meaning of "to prophesy," function, the Holy Spirit and prophecy, and other aspects. In the second, **he discusses in some detail prophets before Samuel, Samuel**, monarchy prophets, and the writing prophets from the ninth century to post-exilic days. This is a fine book that gives the student or pastor a much better, integrated understanding of the prophets behind the prophetic books.

[The glory of Christ](#) (2002) John Armstrong, Jim Elliff, Albert Mohler, J I Pacer

The whole Bible is focused on Jesus, from Genesis to Revelation; yet it is sometimes preached as if its sole purpose is to be a handbook for daily living, a guide for a happy marriage or for successful child-rearing. While it is right to look to God's Word for principles and insights regarding these practical issues, we must also see within its pages the fresh revelation of the person of God's unique Son, Jesus Christ. The Glory of Christ challenges and guides readers in doing just that. Chapters are drawn from sessions given at the Solus Christus: Rediscovering the Wonder of Christ's Glory conference, presented by Reformation and Revival Ministries. Contributors include John Armstrong, Jim Elliff, R. Albert Mohler, Jr., and J. I. Packer. The authors believe that true revival will come only when we as God's people return to the centrality of Jesus Christ. Recovering the wonders of Christ alone is not merely an antiquated slogan of the 16th-century Reformation, declares this book. It is the flame which will ignite a new reformation today.

[Ablaze with His glory](#) by Fehsenfeld, Del (1989) 196 pages [5 ratings](#)

God gives "burning" men and women to every generation--prophets commissioned by Him to boldly penetrate hearts and set them ablaze with revival and reformation. Del Fehsenfeld Jr. was that kind of man, and this book is a potent summation of his life message. But be warned: This isn't just a book that you read--this is a book that reads you! The truths of personal and corporate revival unpacked in Ablaze with His Glory can spark a revolutionary encounter with God. Are you ready to be set on fire by the power of God's presence? Then you're ready for Ablaze!

[America : turning a nation to God](#) by Evans, Tony (2015) 216 pages [95 ratings](#)

In America: Turning a Nation to God, Dr. Evans helps Christians understand that at the core, America's problems are spiritual. And, God and His rule are America's only hope. As His people, God is calling us to return to Him in humility and repentance, to submit to His rule and authority. Only as we commit to doing so, individually and collectively, will we realize that hope. We hold within the collective body of Christ not only the power but also the capacity to put our country back on the path of ascendancy. This straight-forward teaching, when embraced by believers in our nation, will usher in the greatest revival in American history.
