

# Revelation 3 Resources

[Previous](#)

[Next](#)

**EXPLANATION:** The resources listed on this page are more limited than the resource page on most of the other books of the Bible because of the major differences in the systems of interpretation. That said an attempt is made to list only resources that take primarily a literal approach to the interpretation of the Revelation. Note also that some of the resources are only available to borrow and generally do not allow the copy and paste function.

## WILLIAM NEWELL Commentary on the Revelation

**Rosscup** - This is a premillennial, dispensational study which takes a thorough-going literal approach to the book. It is good on the English text and will have its main usefulness in some points for lay people. Read Ironside and Ryrie to maintain a balance in a lighter dispensational work. ## GRANT OSBORNE

- [Revelation \(Baker Exegetical Commentary on the New Testament\)](#) - This is available as a Pdf. Osborne does seem to favor the 1000 millennium. There are a few points I would disagree with him -- e.g., when the devil is released at the end of the 1000 years, he deceives and gathers an army - these are people who have been alive while Jesus Himself is reigning on earth and they still refuse to believe in Him! To be sure this is somewhat mind boggling and could reflect either the hardness of hearts of those who are born to the believers who enter the 1000 year kingdom. Alternatively Osborne posits that these are men and women who were not destroyed when Christ returned to conquer in Revelation 19.

## DWIGHT PENTECOST

## JOHN PHILLIPS - Exploring Revelation. Chicago: Moody Press. 1974

**Rosscup** - Here is a very light dispensational work, often alliterative, picturesque, with frequent illustrations (some quite good), but scant in supporting interpretation. Often Phillips shows no real attempt to grapple with meaning, as on leaving the first love (2:4), being blotted out (3:5), identifying the seven stars, giving more than opinion on being kept in 3:10, who the overcomer is in 2:7, what 4:1 means, etc. He does take the 24 elders as angels (86) and the 144,000 as Israelites, both with shallow support. The work as a whole offers minimal light to help any but elemental readers grasp some points, and for others is pretty much a waste of time unless certain illustrations help. ([Commentaries For Biblical Expositors- Dr. Jim Rosscup](#))

**Cyril Barber** - The Minister's Library - A careful commentary that those who preach through this portion of God's Word will want to consult. Premillennial.

[See Dr Walvoord's excellent summary on interpretation of prophecy](#)

**Rosscup** - Written by one of the foremost modern-day articulators of premillennial dispensationalism, this book is a lucid exposition of the Revelation which combines textual exposition with theological orientation. Walvoord shows awareness of wide reading, gives various views, is fair, and deals with problems as they arise. It is the best broad dispensational work to appear in recent years, and Robert Thomas has the best detailed technical work so far. (Commentaries For Biblical Expositors- Dr. Jim Rosscup)
