INTRODUCTION

This chart on the Revelation of Jesus Christ is based on John's words with a few simple questions added to stimulate and engage your heart and mind.

Background Color in the chart is significant as it is an attempt to identify where the events John is describing are taking place.

- **Blue** - Heaven
- **Brown** - Earth
- **Green** - Time phrases

Carefully observe the [time phrases](#) and interpret them as you would any similar phrases in normal language. Thus the time phrase "**after these things**" occurs 30 times in the entire Bible (NAS) but 9 times in the Revelation (Rev. 1:19; Rev. 4:1; Rev. 7:9; Rev. 9:12; Rev. 15:5; Rev. 18:1; Rev. 19:1; Rev. 20:3 and "**after this**" in Rev 7:1)! Do you think the Spirit intends for this phrase to be a significant marker in this final book of the Bible? (That's rhetorical of course!) In addition the word [when](#) occurs 28 times in the Revelation. [When](#) can mean at the time that something else happens or as soon as another action or event has finished. Every time you encounter a **time phrase**, pause and ponder, asking questions like "What has just happened?," "What is getting ready to happen?," "Where is it taking place, on earth or heaven?," etc. (See [Expressions of Time](#)) If you pay close attention to these simple time phrases (and let them say what you would in normal conversation), you will be amazed at how your Teacher, the Holy Spirit (cf 1 Jn 2:20+, 1 Jn 2:27+, Jn 14:16, 16:13, 14, 1 Cor 2:12-16+), will guide you through the book. Our "God is not a God of confusion!" (1 Cor 14:33) Remember that by definition, the Revelation was inspired by the Spirit not to confuse us but to encourage us and enable us to be "**looking for** (present tense = continually) the **Blessed Hope** and the appearing of the glory of our great God and Savior, Christ Jesus." (Titus 2:13+).

Comment - The very first word in the Greek manuscript of the Book of the Revelation (not "*Revelations*" as is so commonly stated) is the noun [apokalupsis](#) (apokalypsis) and it is derived from **apo-** which means *from* and **kalupto** which means *to cover* or *conceal*. Taken together the simple idea is to take the cover off and expose to open view that which was heretofore not visible, known or disclosed. It means to make manifest or reveal a thing previously secret or unknown. In all its uses, "revelation" refers to something or someone, once hidden, becoming visible and now made fully known. And so using this word first, the Spirit is showing us that He

is unveiling truth about the future which was previously concealed. The point is that the Revelation has been given to men by God to reveal not to confuse. And yet it is the most confused book in the Bible. This chart is thus an attempt to let John's words literally "say what they say" to help you understand what God has clearly revealed.

Father grant great illumination by Your Spirit to all who read the literal words of Your great book, greatly glorifying the Lord Jesus Christ in every reader's heart and mind, so that they are motivated to live passionately for Jesus, sharing His Gospel boldly, for He is "coming quickly." In Jesus' Name. Amen.

Jesus said ""**Behold, I am coming quickly, and My reward is with Me, to render to every man according to what he has done.**" (Revelation 22:12+)

THOUGHT - Now that we are using Zoom for virtual meetings (and it will probably remain a useful tool when the pandemic passes) you might consider using the POWERPOINT presentation on How to Study the Bible. It is relatively simple, but does give a good overview of the "tools" one can use to take their Bible study to the next level. Check it out at this link:
